PROGRAM OVERVIEW

ARTS INTEGRATED

Partnered with The Institute for Arts Integration and STEAM, each Med-Tech7 school will provide arts-integrated instruction.

STEAM FOCUSED

Each Med-Tech 7 school will earn and maintain Science, Technology, Engineering, & Math (STEM) Certification through Cognia.

COMMUNITY PARTNERSHIPS

The Med-Tech 7 program has built partnerships with a diverse group of local organizations as a way to enhance the student experience.

ENRICHMENT OPPORTUNITIES

The Med-Tech 7 schools, along with our partners, will provide unique afterschool, summer, and in-class experiences for students.

DISCOVER YOUR POTENTIAL

WHAT IS MED-TECH 7?

Med-Tech 7 offers learning opportunities in the Medical and Technology fields for students in Kindergarten-12th grade. These innovative programs provide theme-based courses of study that allow students to develop the knowledge and skills necessary to pursue post-secondary education and careers in their chosen field.

MEDICAL

Students enrolled in the Medical Magnet Program will gain knowledge and understanding of the medical field and will have hands-on, real-world opportunities to explore and prepare for college or career. Students enrolled in the Medical Magnet Program can choose to attend the Pre-Med or Biomedical Science Academies in High School beginning in August 2023.

TECHNOLOGY

Students enrolled in the Technology Magnet Program will gain knowledge and understanding of the technology field and will have hands-on opportunities to explore and prepare for college or career. Students enrolled in the Technology Magnet Program can choose to attend the Cybersecurity, Computer Science, or Network Engineering Academies in High School beginning in August 2023.

**“The future belongs to
those who believe in the
beauty of their dreams.”**

- Eleanor Roosevelt
