I hope everyone enjoyed their summer vacation!!!
Sunnyslope staff is looking forward to the 2022-2023 school year and we would like to welcome volunteers back to our school community!

My name is Carol Ewalt and I am the Volunteer Coordinator. There are many volunteer opportunities available here at Sunnyslope and our staff is always willing to involve the community in helping with our children's learning. If you are a returning volunteer, please check with me to make sure the background clearance we have on file for you is current. If you are a new to Sunnyslope, please see our volunteer program information brochure which is listed as a link, also on this web site. You will need to fill out a volunteer application prior to volunteering in the school. We will also need to make a copy of your current photo ID and a copy of your vaccination card, to attach and file with the application. Any one of our office staff will be happy to help you with this process. The application is good for two years and allows you to volunteer in any South Kitsap School District school.

I send out a bi-monthly newsletter via e-mail (also posted on the Sunnyslope web site) in an effort to keep our current volunteers up to date on various events, teacher requests, special thanks and our volunteer recognition board recipients. Please feel free to contact me at any time for more information. If you have any ideas of how you could help, or programs you may be aware of that we could possibly implement at Sunnyslope, I will do my best to connect you with staff that may be interested.

I look forward to seeing and working with all of you this year!!
