All grades are recorded numerically. Transfer grades are recorded using the numerical equivalent on the grade of the sending school. The final grade for full-year courses is determined by the average of both semesters.

Change in Reporting Student Rank

After extensive study and consideration, Carroll High School will no longer rank students below the top ten percent beginning with the Class of 2011. Texas State law requires all public schools to numerically rank the top 10% of each class.

Following are the top ten percent GPAs per class as of June 2022:

Top 10% class of 2024 **107.29-102.09**

Top 10% class of 2025 **105.00-101.61**

Grade Weighting and Reporting

Carroll Senior High School reports a weighted grade point average. This average includes all courses taken for high school credit.

Weighted Courses

Honors (H), Gifted (HG), Pre-Advanced Placement (Q), and Advanced Placement (P) courses are weighted per semester

- 7 points will weight all Honors, Gifted and Pre-AP courses.
- 10 points will weight all Advanced Placement courses.

Computation of weighted grades is done at the completion of the course. Weighted grades are used only in *computing the GPA*

Numerical grades on the transcript do not reflect the weighting.
