

Bike/Scooter to School Agreement and Consent Form

Student Name _____

School Name _____

Grade _____ Teacher _____

Student Address _____

Phone _____

Bike/Scooter Model/Color _____

Bike/Scooter Serial Number _____

This agreement is valid during the _____ school year and must be renewed annually.

Students 10 years of age and older have the opportunity to ride their bicycles or scooters to school. In order to bring your bicycle or scooter on campus, there are certain safety conditions that must be agreed to.

Student and parents agree to:

- Complete a bicycle/scooter safety training program:
Program _____ Date _____
- Read and follow the attached bicycle/scooter safety information (Bicycle/Scooter Safety – Things to Know).
- Wear an approved bicycle/scooter helmet.
- Personal vehicles only (no rentals).
- Keep your bicycle/scooter in good working condition – inflate tires properly, check brakes, chain, etc.
- Provide a locking device.
- Walk bike/scooter when on campus.
- Park bike/scooter in approved spaces only.

Parents/guardians are responsible for determining the best and safest routes for their child when riding to and from school. District recommended walk routes, where established, should be considered by parent/guardian. Bike facility maps are available to help you determine the safest route for your child. It is highly recommended you ride or walk the route with your child prior to allowing them to ride to school.

I will assume all risks associated with my child riding their bicycle to school, including injury to my child, loss, damage, and theft of the bicycle/scooter and helmet. I understand that it is my child's responsibility to store this item in a safe manner. District staff will not be responsible or held accountable for safeguarding a student's personal property. By signing below, I acknowledge that both my child and I understand the information on this application and agree to the conditions for riding a bicycle/scooter to school.
