

## D20 COVID-19 TESTING PROGRAM

**Voluntary, Free & Convenient Onsite Testing**

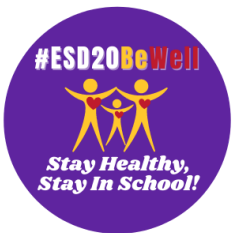

### 2022-23 School Year

D20 partners with Northshore Clinical Labs to provide free diagnostic testing for students & staff who have one or more symptoms of COVID-19. Testing is performed by the school nurse using a gentle swab of the inner cheek, or a nasal swab if the patient prefers. We will not offer weekly testing at this time, but will continue to monitor metrics to determine if screening is necessary during this school year.

**Re-registration is required for testing in the 2022-23 school year.**

- Register online using the **QR Code**
- Select **English or Spanish** (top right hand corner of form)
- Select your **child's school**
- **Complete the entire online form, including whether you are insured.** A third party will be verifying your insurance status. You must include **insurance information** as well as your **State ID**. *There will be no out-of-pocket expense and your deductible will not be impacted.* If you are uninsured, please indicate on the form and you must include State ID.

*For more information, go to <https://www.esd20.org/covid-19/testing-program> or contact your school nurse.*
