## HIGH SCHOOL

**AT SERVITE,  
BOYS BECOME  
THE MEN GOD  
CALLS THEM  
TO BE.**

At Servite, young men journey together in mind, body, and spirit to become Faith-Filled Leaders. Guided by dedicated faculty and staff who are focused specifically on the formation of young men, our students are challenged to develop their gifts and interests as they prepare for college, career, and life. Not every student enters Servite with a brother, but every Servite student becomes a member of a lifelong brotherhood, sustained by their shared challenges and experiences inside and outside the classroom.

Servite is committed to developing young men through:

- › An Attention to Mind, Body, and Soul
- › Unique Formation and Leadership Opportunities
- › A College Preparatory Academic Curriculum
- › Comprehensive Co-Curricular Offerings
- › Competitive Athletics

Over the course of four years,  
**THE SERVITE BROTHERHOOD IS FORGED,**  
sustained by their shared challenges and experiences inside and outside the classroom.

# ENGAGE YOUR MIND

Servite offers a comprehensive college preparatory curriculum that is tailored to the unique learning styles of young men. Our academic programs are designed to ensure that each student is intellectually challenged. Our experienced and innovative faculty foster learning environments that actively engage students in their own education and develop the critical-thinking skills necessary for success after high school. Numerous Honors and Advanced Placement courses are offered for those students who seek even more rigorous academics.

For most students, high school is a time of rapid personal change and development. Our counseling department is designed to help students successfully meet the challenges that may arise during these years. Throughout a student's journey at Servite, our knowledgeable counseling staff provides guidance and advice, makes recommendations and suggestions and, above all, informs our students and their families of the many opportunities available to them.

# EXPERIENCE THE ALL-BOYS DIFFERENCE

As an all-boys Catholic high school, Servite creates an experience like no other school in Orange County. For more than 60 years, we have been dedicated to forming young men. We understand them and we know how they learn. Numerous studies have shown that boys and girls learn differently and that boys mature at a rate that is different from girls; as a result, they have different needs, learning styles, and approaches to life. A Servite education recognizes these differences and celebrates them.

## THE BENEFITS OF SERVITE'S ALL-BOYS EDUCATION INCLUDES:

---

- › **Greater Self Discovery:** Servite creates a safe, welcoming environment where boys are encouraged to take chances, explore a variety of interests, freely express their emotions and perspectives, and deepen their faith.
- › **Focused Curriculum:** As an all-boys school, we can focus on topics that interest boys and teach in ways that promote a diverse and well-rounded educational experience. This will give boys the tools they need to succeed in the classroom and beyond. Our teachers understand how the brains of adolescent males function and how to effectively work with them.
- › **Encouraged Exploration:** Servite students have opportunities they might not have in a co-ed school. In an all-male setting, boys are more likely to pursue their interests in art, music, drama, and foreign languages. Our environment, free of social pressures and anxieties, keeps our students engaged and encourages them to step outside their comfort zones and try new things.

- › **Lifelong Brotherhood:** Servite students build friendships that extend beyond the classroom, field, or theater. We create a culture of belonging and a sense of understanding that each brother is part of something much larger than themselves. To be part of the Servite brotherhood is to be supported throughout life by a unique bond that will never be broken.

While there are significant advantages to an all-boys education, Servite students don't need to worry about a lack of interaction with girls, as the opportunities to do so are plentiful. In partnership with our sister school Rosary Academy, we offer numerous co-ed activities including theatre, dances, extracurricular programs, and athletics.

# FORMATION

## THE PROCESS OF FORMING FAITH-FILLED LEADERS

“Formation” is the process by which a person becomes who they have been called by God to be. It addresses the complete human person, body and soul, through an intentional, systematic direction of the will towards discovering one’s unique vocation in life.

## THE FORMATION THEMES

The Formation Themes provide a set of unifying ideas to guide each student toward an answer to the question, “Who are you?” While each component of the student experience contributes to the development of the whole student in a unique way, a student’s experience will be far more valuable if they are given a single lens through which to view any situation, endeavor, or challenge that life presents.

### PRIMACY OF FAITH

We must accept that mystery exists and that life is a series of acts of faith, large and small. The most elemental act of faith is the belief that we possess a fundamental uniqueness that makes us who we are – unlike anyone else, past, present, or future.

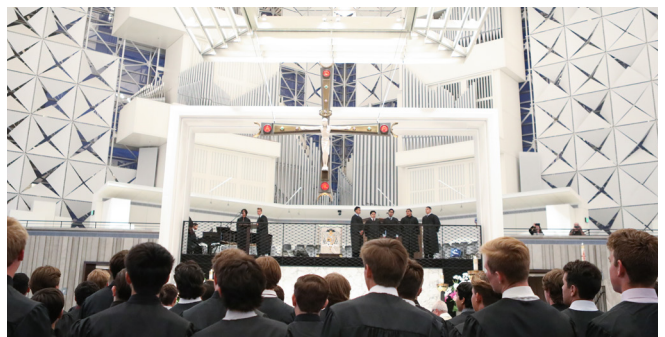

### NECESSITY OF THE OTHER

An honest assessment of who we are reveals that we have limits and need others. Properly developing ourselves requires that we properly develop all the relationships that make us who we are.

### MASTERY OF SELF

The gifts that make us who we are reveal the unique vocation we have been given by God. By mastering ourselves and developing our gifts, we will make the world a better place in a way that no one else ever can. This is the fundamental responsibility that gives meaning and purpose to our lives.

### CENTRALITY OF CHRIST

There is one “other” we can never do without. God made us who we are and Christ brought us direct contact with God. Therefore, everything we do should be under Christ’s direction and modeled after him. We should note especially that Christ’s fundamental teaching is love as defined by mercy. This should be the measure of all our relationships.

# CAMPUS MINISTRY

Campus Ministry focuses on leading the community to encounter Christ through daily liturgy and prayer, retreat and fellowship experiences, spiritual development, and outward service to others in need. In these ways we give life to a favorite Servite motto - "Be Christ, See Christ!"

## BECOME A FAITH-FILLED LEADER, FOR LIFE

Servite is more than a school – it's a place where young men are shaped into Faith-Filled Leaders with knowledge, wisdom, and character.

We encourage boys to become men by teaching them discipline, holding them accountable, and challenging them to be great in everything they do.

# DISCOVER AND EXPLORE YOUR PASSION

The Servite experience spans across every area of a student's life to help them become a well-rounded, service-oriented man who is prepared for life's next chapter. This includes their involvement in arts, clubs, and Servite's expansive co-curricular programs. While pursuing personal interests, students are also building relationships, developing skills, and becoming the best version of themselves.

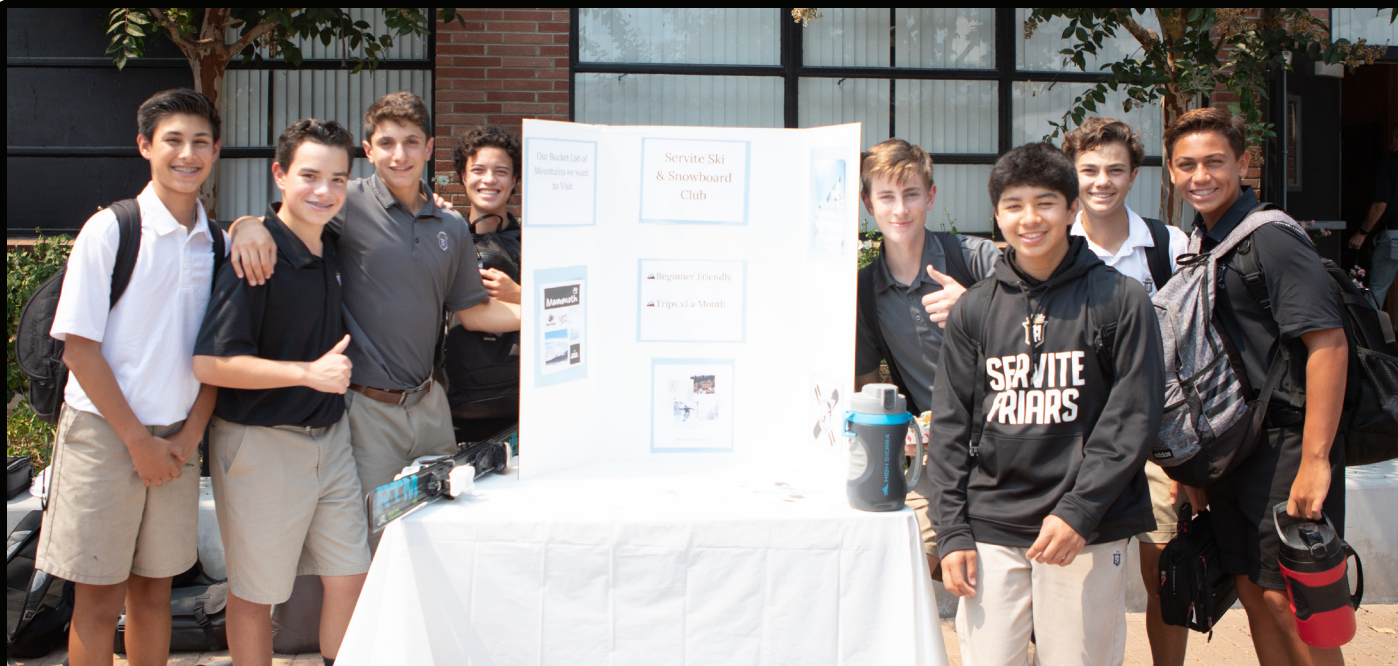

"Sending our boys to Servite was one of the best decisions we have made for our sons' education and faith formation. There truly is something for everyone at Servite! The administration, faculty, and staff are authentic and are driven to the same goal which is to form Faith-Filled Leaders! Credo!"

## SPONSORS

The Friarbots are fortunate to have sponsors who generously support our team. Without their help, our success would not be possible. View our website for a full sponsor list.

## MENTORS

The Friarbots have an amazing team of mentors who dedicate their time and talent to Team 3309.

- › Evan Smith, Boeing
- › David Carr '12, Twitter
- › James Carr '13, Google
- › Vinnie Magro '13, Facebook
- › Michael Stump '15, Momentus

## AS PART OF SERVITE'S ROBOTICS PROGRAM, STUDENTS LEARN AND EXPERIENCE:

- › Advanced CAD knowledge (Auto CAD + Inventor) for designing and building/fabricating functional robotics.
- › Programming knowledge to connect and communicate with their robots for maximum performance.
- › Competing allows students to work as a team and learn from others while gaining valuable experience in engineering, fabrication, mechanics, testing, and much more.
- › Mentorship connects Servite students to experienced robotics professionals.
- › Student-teachers are created as we encourage veteran robotics students to lead in the education of first-year students. This builds leadership, communication and deepens their sense of brotherhood.
- › Team 3309 is comprised of 14 different committees in charge of the various aspects of the team's function, including public relations, design, build, programming, and project management.

# NURTURE YOUR INDIVIDUAL TALENTS

Our perennially award-winning, co-ed theatre program, Trinitas Arts Conservatory, allows students of all grade levels to explore every area of theatre. Our process-oriented training gives them a deeper understanding of each role and

responsibility of the theatre, which leads to greater skills and mutual respect. The Conservatory presents weekly classes in addition to three main-stage shows each year in Servite's on-campus 1,000-seat state-of-the-art theater. We have built a legacy of performances of high-production value that includes:

- › Acting Classes
- › Dance
- › Technical Theatre
- › Comedy Sportz
- › Musical Theatre
- › Makeup/Costume
- › Lighting/Sound
- › Stage Design/Management

# COMPETE WITH THE BEST, AGAINST THE BEST, TO BECOME YOUR BEST

Servite offers 14 CIF sports, two non-CIF sports, and competes in the Trinity League, one of the most prestigious and competitive leagues in the nation. Every student has the opportunity to participate through both cut and non-cut sports with levels including varsity, junior varsity, and freshman. Over 75% of Servite students participate in athletics with 35% competing in multiple sports.

Servite coaches are committed first to the formation of our student-athletes, helping them become the men God calls them to be. Whether the goal is college, professional, or a successful high school athletics career, student-athletes graduate as Faith-Filled Leaders ready to handle whatever challenges lie ahead. In addition, Servite athletes are supported by experienced strength and conditioning coaches, certified athletic trainers, world-class doctors, dedicated counselors, outstanding facilities, and much more!

# WHERE OUR FRIARS COME FROM

Our students come from all over Southern California! Our Friars travel from Orange, Los Angeles, and Riverside county. In total, Servite students make the commute from over 130 different zip codes each day to campus.

Servite High School has transformed me in all aspects of life: faithfully, socially, and academically. The school has helped me develop the skills to be a leader in the real world.

- Ryan Xavier '23

My experience at Servite has been amazing. I have met many amazing friends and teachers that I know have my back and are there for me. I've made so many memories and I can't wait for the next two years!

- John Zelinka '24

I have made many memories in my Servite experience. I learned so much about myself, my strengths and my weaknesses. I have also made many friends that I can now call brothers. I trust them to be there for me whenever I am going through a rough time.

- Cosme Trujillo '23

We are blessed to have a strong relationship with our sister school, Rosary Academy, in Fullerton. Many of their after-school sports and activities take place on Servite's campus, including the use of our Servite High School Aquatics Center, track & field facilities, robotics lab, and the theater.

"Servite High School and Rosary Academy have helped shape my kids into respectful Faith-Filled Leaders. Servite has motivated my son to be passionate in community involvement and ministry for others. Together, my son and daughter continue to serve at our parish and surrounding community."

– Krimly Valente  
(Jameson Valente '25 , Kaylee Valente '22)

## **GAIN LIFELONG MEMORIES, FRIENDS, AND FAITH**

Servite's focus on helping young men become kind, well-rounded individuals extends beyond our campus and into their daily lives. We believe in building a strong sense of belonging and an unbreakable support system that our graduates can rely on, no matter what challenges life may bring. From activities in the quad to campus ministry retreats, students are given opportunities to learn about themselves while learning about others as well.

While we work to challenge students to reach their fullest potential, we also encourage camaraderie through fun, friendship-building activities during lunch, priority periods, and special events. From the classroom to common areas, the field to the theater, the Servite brotherhood can be seen and felt in every corner of our campus.

# APPLICATION PROCESS

---

Our goal is to make the application process friendly, intuitive, and easy, while gathering the necessary information to admit students who will succeed and thrive at Servite. Servite requires 7th and 8th-grade transcripts, recent standardized test scores, English / Math / School Counselor or Principal recommendations, and a student questionnaire.

## VISIT OUR CAMPUS

---

### SHADOW DAYS

There is no better way to experience a day in the life of a Friar than to attend an on-campus Shadow Day. Each day includes a tour, exploring campus, attending classes, learning about our unique formation program, spending time with student ambassadors, and much more! We offer presentations and tours for parents at each shadow day as well.

### OPEN HOUSE

Our Discover Servite Open House is an exciting opportunity to experience the Servite community. Learn more about why Servite is the best place for your son's high school education. Hear from representatives of the administration, faculty, staff, athletics, and activities about the Servite Difference.

### CAMPUS TOUR

The Admissions Office hosts campus tours throughout the school year for prospective students and their families. To join us for a tour led by a member of our Admissions Team, please sign up for one of our upcoming appointments. Space is limited in order to provide a personal experience for our guests.

### ATHLETIC OPEN HOUSE

All 6th, 7th, and 8th grade students interested in participating in sports at Servite High School are welcome to attend our Athletic Open House in the Servite gym. We will provide an introduction to our athletic programs, including information about our 16 sports teams, our strength and conditioning and athletic training programs, counseling support, and more.

## TUITION ASSISTANCE

---

We do all that we can to make tuition affordable for all admitted families in need of assistance. Servite offers awards in the form of tuition assistance and scholarships. These are awards that do not have to be repaid.
