including Extended School Year (ESY) 2023

If your child has any physical complaints such as: headaches, fevers, cuts, toothaches, itchy rashes, bug bites, etc., while they are in school, we will need a written order from a Licensed Prescriber (Physician, Nurse Practitioner, Physicians Assistant or Dentist) and permission from you, the Parent/Legal Guardian, to administer or use any of the following over the counter medications. Pace School will have a supply of the over the counter medications listed below but if the Licensed Prescriber orders any other over the counter medications, it will be your responsibility, the Parent/Legal Guardian or responsible adult, to bring the medication to the Health Office and it must be in the original labeled container with the child's name and date of birth written on it.
