

2022-2023 Parent Involvement Policy

Rogene Worley Middle School
Mansfield ISD

Research shows that greater parental involvement leads to greater student achievement regardless of factors such as socioeconomic status or ethnic background. The most accurate predictor of student academic achievement is the ability of the student's family to create a home environment that encourages learning; to communicate high, yet reasonable expectations for achievement; and to be involved in the student's education. -Alan Blankstein, *Failure Is Not an Option* (2004), p. 168

To encourage parental involvement, Rogene Worley Middle School shall actively pursue the following goals, as stated in our RWMS Campus Needs Assessment (CNA):

✓ Parent Involvement Plan

Rogene Worley Middle School will provide parents with a copy of the Parent Involvement Plan via the school website. Parents will have the opportunity to address and revise any concerns they may have through a variety of ways, such as, PTA meetings, Site-Based Decision-Making Committee meetings, and parent surveys.

✓ Annual Parent Meeting

Rogene Worley Middle School will hold an annual fall meeting for all parents of participating children. Parents will be notified of the meeting through a notice sent via email, announcements in the campus newsletter, and the school website.

✓ At the annual Title I meetings (held at Schedule Pick-Up, August 11th, 2022 at the beginning of the year), we will present general information about Title I school-wide, parent's rights under Title I, the curriculum, instruction, and various forms of assessment used to measure student progress. Parents will also be given information about the school's programs, and specific curriculum information in the following subjects: math; language arts; science; social studies; and electives. Parents will also be given information about how to schedule parent-teacher conferences, student interventions offered for struggling students, and opportunities to become involved in campus activities.

✓ Annual Parent Survey

Based on the feedback provided at the end of the school year by the parent survey, the Worley Site-Based Decision-Making Committee will review, evaluate, and revise the parent involvement plan, and provide feedback for campus professional development and parent communication methods.

✓ Parent Resources

- Parenting and educational information will be provided in the native language of parents.
- School notices and bulletins will be provided in both English and Spanish.
- Computers and personnel assistance will be available for accessing student grades and information.
- District website will post current school district information.
- School website and newsletter will post current school information.
- Skyward is available to both parents and students to access grades and attendance reports.

✓ School-Parent Compacts

Rogene Worley Middle School will incorporate the school-parent compact as a component of its Parent Involvement Plan. The compact will be part of the enrollment packet provided to parents as they enroll their child at Worley Middle School and will be sent electronically to parents.

✓ Parent Notification/Information

- Provide notification to all parents at the beginning of each school year of their "Right to Know".
- Provide School Profile/Demographic information via the School Improvement Plan.
- Provide access to the School Report Card to all parents.

✓ Parent Involvement Meetings/Activities
