Board Briefs**

**March 10, 2011**

The Jasper City Board of Education met in a special morning session at 7:30 a.m. in the boardroom of the Central Office. Members present were Willie Moore III, Pat Nelson, Roy Beall and Teresa Sherer. Superintendent Robert Sparkman was also present during this meeting.

Due to the resignation of Monique Rector as Chairman of the Board, Teresa Sherer has been appointed by the Jasper City Council as a new board member for Jasper City Schools. Vice-Chairman Rene Simmons was absent from this meeting, leaving the Board without a Chair or Vice-Chair. Therefore, for this meeting only, Mr. Willie Moore was designated and approved to act as Chairman of the Board for March 10, 2011.

Dr. Sparkman requested adoption of a motion to approve the lowest submitted bid for a new network infrastructure to West Jasper Elementary. Two vendors submitted bids with the lowest being presented by Information Transport Solutions, Inc. Per the bid specifications, the bid included a complete internal connections upgrade with local area network cabling, wireless access points, POE network switches and network installation services. Ninety percent will be paid with E-Rate funds with Jasper City Schools paying the remaining ten percent of the total cost. The motion passed unanimously.

With no other business to come before the Board, the meeting was adjourned.
