

CHILD FIND

The Jasper City Schools system participates in an on-going process of Child Find. This is an effort to locate, identify, and evaluate children with disabilities from age 3 to age 21. Early Intervention and Special Education Services work closely with community service agencies, parents, and local school systems to locate children with disabilities.

It helps the child, the family, and the provider to plan appropriate services and link families to services for students meeting eligibility requirements in the following disability areas:

- Hearing Impairment
- Deaf-Blindness
- Intellectual Disability
- Multiple Disabilities
- Specific Learning Disability
- Orthopedic Impairment
- Other Health Impairment
- Emotional Disability
- Speech or Language Impairment
- Visual Impairment
- Autism
- Developmental Delay
- Traumatic Brain Injury

If you know a child with a disability or have a child with a disability who is residing with the Jasper City Schools district and not receiving services, please contact your local school principal, counselor, or call the Director of Special Services at (205) 387-1468.
