

In-Person Parent/Teacher Conferences Registration and Scheduling Instructions

PTC Wizard is the online site that we use to schedule our parent teacher conferences. If you are new to Adler, you will need to register your child(ren). If you created an account last year or used it to sign up for our kindergarten screenings, you will not need to re-register.

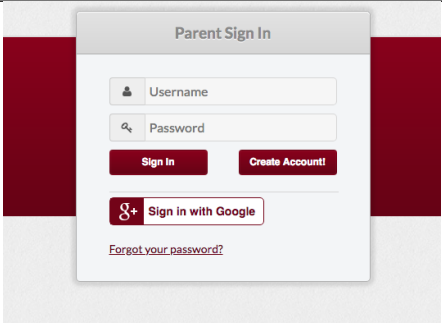

You will need to schedule one 15-minute slot for each child that attends Adler Park School.

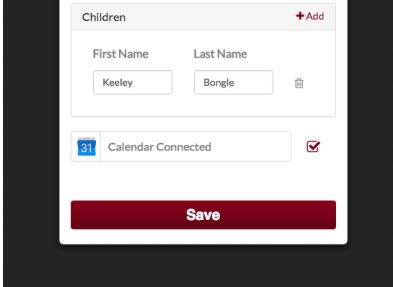

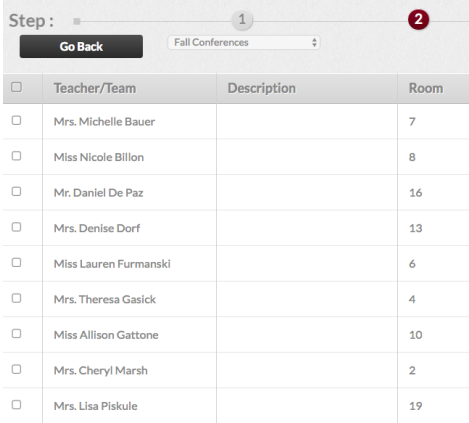

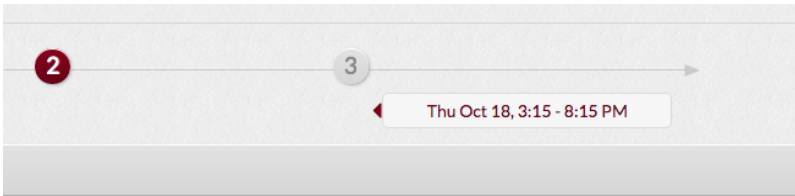

The scheduling window will be announced. During this time you can schedule your child’s conference. If you miss the scheduling window, you will need to contact your child’s teacher to schedule your conference. Unless otherwise noted by the teacher, conferences are parent-only events.

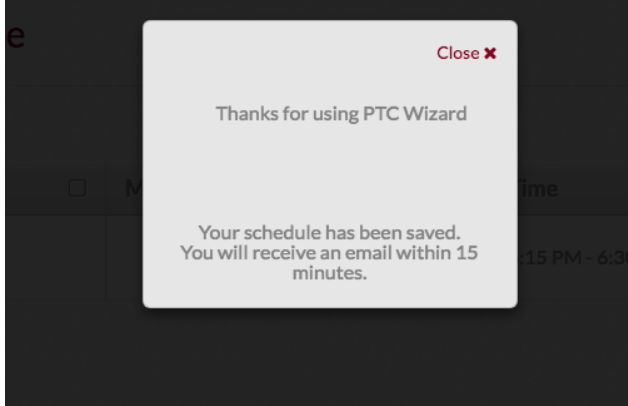

Parents with multiple children, please consider leaving a 15-minute slot between children when scheduling to allow for conferences that run late.

Please remember: Students have early release at 1:15 pm on Thursday of conference week. No School on Friday of conference week.

Listed below are the directions to register your child and then to schedule a conference. Thank you!

FAQs (Frequently Asked Questions)

I forgot my password – how can I sign in?

If you have already registered but you cannot remember your password, simply click the link on the sign in page that says, “Forgot your Password.” Then you can enter your email address into the field that says “Email” and Click the “Remind Me” button. This will cause an email with your information to get sent to you.

Why are some the times greyed out on the teachers’ schedules?

These times have been greyed out during which the teacher will not be able to accept appointments (scheduled breaks or dinner) or another appointment has already been set by a parent. Meeting times for conferences are on a first come, first served basis.

How can I get another copy of my schedule?

You can always get another copy of your schedule by logging into your account and your appointments will be listed on the landing page. You can also click on the Email icon to have a copy of your schedule sent to the email address registered with this account.

What if I want to change my day and/or time?

After you originally sign up for a time, you can get back into the system at any point while the registration is open. Log into your account and find a time that will work for you. You will have to delete your former time before the system will allow you to enter a new time. If the scheduling window has closed and you cannot change your time, please contact your child’s teacher to arrange a new time.

What if I want to meet with a teacher not listed?

If you would like to meet with another teacher (for example: PE, music, social worker, speech, gifted/enrichment, special education) in the building for a quick introduction or to ask a question, all teachers will be available and there is no need to schedule a specific time. If you would like to schedule a more formal meeting with these teachers to discuss your child's progress in their area of expertise, please contact that teacher directly through email to prearrange a conference time.
