

Baker Middle School 2022 – 2023 Club Guidebook

Baker Middle School

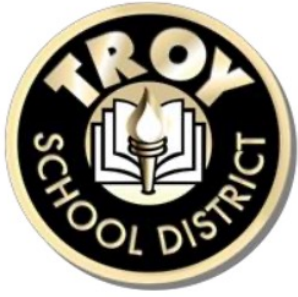

2022 – 2023 Clubs

Clubs are open to 6, 7, & 8 grade students. Participants in clubs are required to pay a one-time \$50 club fee. Payments will be made using SchoolPay. Making this one-time payment provides unlimited access to all clubs for the entire school year. Making the payment early in the year will provide your student access to try a variety of different activities.

We encourage students to participate in extra-curricular activities. Joining a club can hone communication skills, foster creative thinking, and teach students how to work effectively with other people. Engaging in activities outside of school will allow students to develop time-management skills while exploring interests and identifying their talents.

If you or your student are interested in joining a club, please reference the clubs listed below, make your selection and submit your one-time participation fee using Payschool.

After selecting your club, please complete the form below and submit it to your Club Sponsor.

Club/Intramural Participation Fee

One form needed for each participating student in Club/Intramural activity - PLEASE PRINT

Student:	Age:	Date of Birth:	Grade:
Parent/Guardian Name:			
Address:		City:	Zip:
