

#MCSUnited

**Agenda**

**Student Intervention Meeting**

**Date**

1. Review individual student benchmark and/or progress monitoring data (behavior, attendance, and academics).
2. What does the data tell you about each students' progress?
3. Are the interventions in place working for the student or are changes needed?
4. What are the causes for celebrations and concerns?
5. What are the next steps for the student?
