

EEA STUDENT TRANSPORTATION SERVICES

The Minuteman Regional Vocational Technical School District shall be subject to all laws pertaining to school transportation; and when the agreement provides for the furnishing of transportation by the District, the Commonwealth shall reimburse the District in accordance with the provisions of M.G.L. 71:7A for the amounts expended. The State Treasurer shall annually pay to the regional school district, subject to appropriation, the sums required for such reimbursement and approved by the Commissioner of Education.

Regional school districts are subject to all laws pertaining to school transportation. (See M.G.L. 71:7A & 16C)

Provision is made in the law for the use of state transportation funds to help sustain the cost of a city or town's public transportation system when that system transports students to and from school. (See M.G.L. 71:7B)

Bus transportation to and from school is provided for all students living within the 16-town district. The rules of conduct which are observed while in school also apply when on board the school bus and at the bus stop.

The School Committee may provide transportation for athletic teams, coaches, cheerleaders, bands, and any other groups composed of pupils from the school that bear the school name and are under the control of the School Committee.
