Weighted/Unweighted GPA

RHS uses a weighted GPA system to reflect levels of instruction. Courses designated as AP, Integrated, Seminar and Honors receive weighted quality points as noted in the table on the left. Advanced and College Preparatory classes receive unweighted quality points.

Grade Point Average (GPA) & Class Rank

The GPA is cumulative, including all courses taken at RHS except those taken Pass/Fail. Both a weighted and an unweighted GPA are reported on the transcript. The unweighted GPA does not account for levels of instruction in a course. No class rank is recorded on a student's transcript.
