Instructions:

- **GHJKLMNPQ** refers to the core teaching set (the class they are in for English, Maths and RE).
- Pupils get 4x30 minute Maths and 4x30 minute English homework's a fortnight
- There is also 1x30 minute homework for RE.
- The **RED LETTERS** refer to subject groups as per your timetable. For these subjects you are allocated 3X30 minute homework's per fortnight.
- At this stage of education pupils should be aware that staff may require some flexibility to meet course requirements, controlled assessment and coursework deadlines.
- There may be times when staff do not set work. **It is important that pupils take ownership of their learning and use whatever time they have to consolidate their learning at home.**
- 2 hours is the minimum time recommended to be spent each evening on your studies.
