# Letter from the President

Megan Golden Hobson '85 (Campaign Cabinet Co-chair), Margaret Reynolds '82, President Rosann Whiting, and Marianne LeBlanc '86 (Campaign Cabinet Co-chair)

January 2018

Dear Friends,

What a difference a year makes! Last year at this time, much of Ursuline's campus was an active construction site. Trucks bearing building materials lumbered down Lowder Street on a weekly basis, and our students travelled to their Carriage House classes along a temporary path bordered by chain link fencing. This year, the academic year opened with a Mass of the Holy Spirit celebrated by Cardinal Seán O'Malley in the spectacular new gymnasium space of the Athletic & Convocation Center. What a joyous day it was!

Just a few weeks later, we formally named the building "The Reynolds Family Athletic & Convocation Center" in honor of the philanthropic leadership shown by the Reynolds family: **Margaret '82**, Chairperson of the Board of Trustees; her father

William and mother Ella (deceased); and her sisters **Eileen '68** and **Rebecca '77**. I was tremendously proud to stand with Meg, **Patricia Leary Dowling '52**, and **Eileen Ahearn Connors '62** as the ribbon was cut to signify that The Reynolds Family Athletic & Convocation Center (now known affectionately as the "RC") is open for business! A crowd of alumnae and current families filled the Convent terrace to capacity for an outdoor Mass to thank God for His grace and then stayed for the dedication, with many more arriving for their Reunion.

None of these events would have been possible without the loyalty and generosity of so many alumnae, parents, faculty members and friends. Donations of all sizes, in addition to the leadership donations, made this campus jewel a reality, and for that I am deeply and eternally grateful. Following his September visit, Cardinal Seán wrote, the new facility is "truly stunning." As we look ahead to the next year, the Realize the Possibilities campaign will remain in operation as we pay down the debt incurred to complete the project. The addition of The Reynolds Family Athletic & Convocation Center is a centerpiece of our cherished campus, and positions Ursuline as the premier all-girls Catholic school in the Metro West area in an increasingly competitive admissions environment.

Thanks to your help, we look back at our first sixty years in Dedham with pride, and look ahead to the next decades with great confidence that we will continue to educate girls in the spirit of St. Angela Merici for a very long time. Please visit our campus if you have not been to Lowder Street lately, and accept my most prayerful thanks for your generosity and your support.

Gratefully yours,

*Rosann M. Whiting*

“ For 500 years, the Ursuline Sisters have provided an excellent Catholic education to young women around the globe. Ursuline Academy is one more example of that legacy. We are indeed blessed to have this Academy in our Archdiocese. ”

– Cardinal Seán O'Malley

# Annual Fund 2016-2017

Gifts to the Annual Fund sustain the foundation of excellence that allows Ursuline Academy to flourish. As the school's second largest source of income, the Annual Fund provides a core source of funding that supports Ursuline's needs, enabling the Academy to offer programs and initiatives that benefit the entire community. It gives administration the flexibility to meet opportunities for our students and faculty. We are deeply grateful to all our supporters who made Ursuline a philanthropic priority between July 1, 2016 and June 30, 2017.

# Class of 2017 Gift

For their class gift, the parents and members of the Class of 2017 contributed to a scholarship created for future Ursuline students who embody the spirit of their beloved classmate **Taylor Manning '17**, who passed away in the seventh grade. Taylor's spirit made a profound impression on her classmates and the entire Ursuline community. Donors to the senior parent gift include Class of 2017 students, parents, and friends and relatives of the Manning family. Many additional students contributed to the gift by supporting the "Taylor Made" *a cappella* concert in the spring of 2017.

# REALIZE THE POSSIBILITIES CAMPAIGN FOR THE ATHLETIC & CONVOCATION CENTER

Gifts of all sizes helped to bring The Reynolds Family Athletic & Convocation Center from a dream to a reality. With the building now open and a vibrant campus asset, future fundraising will help to pay down the debt incurred to finance the construction. This report reflects gifts made between July 1, 2016 and June 30, 2017.

# The Reynolds Family Athletic & Convocation Center

On a sparkling September 5th, The Reynolds Family Athletic & Convocation Center opened to students and faculty with a mass celebrated by Cardinal Seán O'Malley (see cover). Situated adjacent to the historic mansion and former Convent which welcomed the first Ursuline classes to Dedham 60 years ago, it commands the highest point on the 28-acre campus.

Since day one, the Reynolds Center has been buzzing with activity. Two months after the opening mass, the gym rocked as Varsity Volleyball hosted the D-3 South semi-finals against Case High School under an array of green and white championship banners. "The new gym and the fitness center is a real enhancement to our athletic and fitness programs," says Athletic Director Mike O'Connor.

*"With the Reynolds Center open, Ursuline feels like a true campus."*

*– Katherine '18*

In another part of the building, imagination soars. "Students bring an incredible level of excitement to the I.D.E.A. Hub (Innovate, Design, Engage, Apply). They are the life-blood of this space," says Greg Mertz, Director of Innovation & Design. Equipped with a wide array of technological tools from virtual reality machines to laser cutters, this collaborative space digitally enhances experiential learning across all academic levels and programs. "The iHub really inspires creativity," says Shannon '19.

Built on the generosity of current and past families, alumnae, and foundations, the new facility also features a spacious student lounge, three classrooms, a track, locker rooms, and meeting spaces for international communications and alumnae gatherings. Bringing together Ursuline's past and future, the Reynolds Center is a facility that promotes the development of mind, body and spirit.
