Directions from Waterloo East and Mainline Station

Passengers arriving from Waterloo Mainline Station are advised to exit from the Tube Station – exit 2, turn right and walk for two minutes, which leads to the pick- up point behind The Old Vic Theatre.

On the east side of Waterloo Road there is a bus stand, near to the side entrance of The Old Vic Theatre and the 'Hello Darling' restaurant.
This is the location for drop-off and collection of pupils.

The front entrance of the Old Vic Theatre is on **The Cut**, which is not a suitable location for the collection and drop off of pupils.

Pupils in Year 9 or below must be met or dropped off by a parent/guardian, and we require parental permission for pupils making their own way from the drop off point.

Please be aware that the coach cannot wait beyond the given departure time due to parking restrictions
