F. Request for Special Event License – Old School Harley Davidson

The application that was received was reviewed by multiple Town Departments, including the Fire Marshal’s Office, Resident State Troopers’ Office, Town Planner, the North Central District Health Department, Public Works, and Emergency and Risk Management. Many of these Departments offered comments and expressed concerns about the proposed events. Mr. Stavens commented that some of the information appeared to be missing or incomplete. Mr. Lee stated that the applicant likely will not have the various issues adequately sorted out in time for the September 29 event; his understanding was that the Town Attorney, upon reviewing the memos received from the Departments is to deny this date and allow the applicant to address the concerns in time to approve the October event. Mr. Turner commented that while it is important to try to support businesses in Town, it seems that insufficient information was provided with this application.

MOVED (TURNER), SECONDED (STOMBERG) AND PASSED UNANIMOUSLY TO REJECT THE EVENT PROPOSED FOR THURSDAY, SEPTEMBER 29, 2022, DUE TO MISSING AND/OR INCOMPLETE ITEMS REQUIRED PER RELATED TOWN ORDINANCES.

2. Technology Technician – Approval of Job Description

Ms. Ferry asked about the difference in cost between this position and the current company. Ms. LaPlante shared that the current cost for two days of coverage is $60,000, and that outsourcing for four days of coverage would be $110,000. Town costs associated with this new position will include $46,494 for salary, administrative costs of $32,000, as well as benefits. Utilizing this shared services position will offer cost-savings measures for the Town, including bulk-purchasing with the Board of Education. Superintendent Nicol took a moment to thank the Shared Services Commission, Tiffany Pignataro, and Brian Greenleaf for the work that was done to make this happen. Mr. Turner shared his thought that this is the right move at the right time for the Town.

H. Award of Bid: Resurfacing of Tennis & Basketball Courts

Mr. Turner asked if this project was separate from the resurfacing of the high school track; Mr. Radziwon stated that it was, as the resurfacing of these courts compared to a track are different processes.

MOVED (TURNER), SECONDED (STAVENS) AND PASSED UNANIMOUSLY TO AWARD THE BID FOR THE RESURFACING OF TENNIS AND BASKETBALL COURTS PROJECT TO HINDING TENNIS, LLC, OF WEST HAVEN, CONNECTICUT.

I. Request for Proposal: High School Track Resurfacing

Mr. Stavens asked if the base needed replacing the last time the track was resurfaced; Mr. Radziwon answered that it did not, which is part of what is leading to the adjustments to the RFP this time around, as he wants to ensure that all bases are covered and be sure that the approach to the project is thorough from start to finish. Mr. Radziwon shared that there are no signs of any issues with the concrete base, but until the existing track surface is removed, it's impossible to tell for sure. Mr. Stavens commented that if the potential pavement replacement or repair could be handled separately through a State bid list, that may offer some cost savings to the Town. Mr. Radziwon shared that this project will likely be completed in the spring of 2023.

MOVED (TURNER), SECONDED (FERRY) AND PASSED UNANIMOUSLY TO APPROVE THE ADJUSTMENT OF THE SPECIFICATIONS OF THE HIGH SCHOOL TRACK RESURFACING REQUEST FOR PROPOSAL (RFP) TO INCLUDE A COMPLETE SCOPE OF THE PROJECT. FURTHER, TO AUTHORIZE THE FINANCE DEPARTMENT TO PLACE THE ADJUSTED RFP BACK OUT FOR SUBMISSIONS.

J. CRCOG Update – Matt Hart, Executive Director

Mr. Hart was introduced and briefed the BOS on some of the activities, programs and services that the Capitol Region Council of Governments (CRCOG) offers, and he thanked First Selectman Spielman for her commitment and involvement with CRCOG. He shared that CRCOG is the largest of nine regional councils in the State, covering 38 municipalities. Mr. Hart discussed some of the key functions that CRCOG performs, detailing the Council’s role as a Metropolitan Planning Organization and Regional Planning Agency. He shared information on the Safe Streets and Roads for All (SS4A) program, under the Bipartisan Infrastructure Law, the purpose of which is to improve traffic safety in noted problem areas. Mr. Hart added that communities with a mix of State and Town roads face unique challenges. CRCOG is heavily involved in programs related to transportation and waste management, and has individuals available to assist municipalities with completing various grant and program applications.

Mr. Radziwon commented that a program specifically geared toward more rural municipalities would greatly benefit Ellington, and asked if this could be a consideration in the future. Mr. Hart provided a handout [ATTACHED] to the BOS, noting membership benefits, financial highlights, and listing some recent programs and projects.

K. Winterfest 2022

MOVED (TURNER), SECONDED (STAVENS) AND PASSED UNANIMOUSLY TO GRANT THE REQUEST OF THE WINTERFEST COMMITTEE TO HOLD THE 2022 WINTERFEST ON THE TOWN GREEN ON SATURDAY, DECEMBER 3, 2022 BETWEEN 3:45 PM AND 7:00 PM INCLUDING SET-UP AND CLEAN-UP FOR A TREE LIGHTING CEREMONY TO BE COORDINATED WITH THE PUBLIC WORKS DEPARTMENT, PROVIDED ALL NECESSARY TOWN APPROVALS AND STATE PERMITS ARE OBTAINED. They are also working with DPW on ensuring emergency access is available to them throughout Town, and they continue to conduct many various drills.
Ms. Ferry commented on the Citizens’ Forum item that had been brought up in August, and indicated that she invited Ms. Timms-Ferrara to attend the meeting to shed some light on that situation. Ms. Timms-Ferrara shared that their office had sent out a letter to those in the new voting district back in June or July, and that she had contacted the Journal Inquirer, urging them to republish the complete and accurate version of Ellington’s voting district information.
