Old Business

Teacher/Staff Appreciation Week - staff loved it. Next year don't do popcorn

FFN - brought back tradition, went well

- Ran out of concession items (cotton candy, squishy toys, candy, etc.)
- Tattoos were old and didn't work
- Classroom baskets and donations were great
- An idea of having each classroom in charge of a game was brought. Maybe have PTA in charge of sign up genius for basket donations

Volunteer Appreciation Breakfast - June 3, 8:30 - 9:30 in library

- hard to get invites to everyone, need a better plan

New Business

There will be lots of new teachers and teacher movement next year

Robert's Rules of Order were suspended to discuss officers for next year, then reinstated.
