

Join Foxview and schools all around the world celebrating **International Walk to School Day** on **Wednesday, October 5th, 2022**. Fuel up to Play 60 and with the support of Live 54218, is asking all ***Foxview Students*** to walk to School!!! Invite your family and friends to walk with you. There will not be a make-up date for bad weather.

Don't worry if you are a bus student or you can't walk to school on October 5th, you can walk 10 minutes the day before & have your parents sign the form on the back of this letter to show your support! If you get dropped off by a family member, have them park 3-4 blocks away & then walk the remainder of the way.

If you showed your support on Wednesday, October 5th or the day before to get active & be healthy come by the ***Walk to School Table in the parking lot by the front entrance (outside)***. The Day Before Form can be dropped off at the table and walkers will sign in at the table to receive a prize. Prizes will be available as first come first serve. If your child is unable to turn his/her form to the table on October 5th, please have them turn in their form to their PE Teacher by Friday, October 7th. The Walk to School Table will be open starting at 7:30 AM.

Let's show Brown County that Foxview Voyageurs' are Healthy Voyageurs'!
Walking to school is a fun and easy way to be physically active.

Walk to School Day 2022 - Safety First!

"Today's safety tip of the day brought to you by Live54218 and the Center for Childhood Safety:"

1. Always look both ways before crossing.
2. Never run into the street without looking and always pay attention.
3. Avoid taking roads that don't have sidewalks, or crossing busy streets that don't have crosswalks.
4. Walk in the opposite direction of traffic so you're facing the cars. This way you're more aware of the cars coming towards you.
5. Never play in a street, parking lot or driveway.
6. Take the safest route with the least amount of street crossings.
7. Wear bright, reflective clothing during dawn, dusk or any low-light situations.
8. Always follow traffic signals and signs- they aren't just for cars.
9. Try to make eye contact with drivers when crossing the road. Just because you can see them, doesn't always mean they can see you.
10. Always be aware of your surroundings.
