Dakota Hills Middle School offers after-school assistance for students in need of additional academic organization and support during our 2022-23 school year. In our Extended Day program, students can receive remediation, enrichment, homework, and organizational assistance from DHMS staff in a small group setting. Students planning to attend any of the Homework Help sessions are asked to attend on a **regular basis**. We ask that you sign up on MyPaymentsPlus and commit to the days you are joining, there is no cost. We are excited to have you!

Parents must sign up for a section on MyPaymentsPlus.
