Campus Update

The summer kicked off with a Vision and Planning Meeting for the next school year led by Ms. Shannon and Ms. Katey. The themes of the meeting included staff support, strengthening community and climate, forming fundraising and other volunteer committees, and facilities and grounds. Much action has emerged from this inspirational gathering including new garden boxes that will be utilized for growing food for our Harvest Festival, a new Middle School barked in lunch area behind the portables, a renovated staff lounge, and a brand-new Gaga pit! This meeting also saw the formation of several committees: Garden, Art, Book Exchange, Recess/Carline, and Lost and Found/Clothes Closet will serve to meet some of our identified needs. If you are interested, meeting notes contain the many more ideas that developed out of this productive meeting and can be provided.

Summer consisted of our amazing office team setting the administrative groundwork for a very smooth and successful school year--and a whole lot of hiring! Above, you will see many names new to the Capitol team. Additionally, you will see some positions that are new or renewed after a period of not being filled, including a Math Intervention T.A., Aztrid Meza-Barajas, a VAPA T.A., Liz Taylor, a floating T.A., O'Connor Griffin, and a P.E. T.A, Rebecca Markussen! These are very exciting additions to our campus that serve to meet our student's needs even better than before!

Most recently, our whole team assembled on campus for six days of Professional Development and the creation of the "Prepared Environment." Included in this time was a day long network experience at Sacramento State where we focused exclusively on the topic of Diversity, Equity, and Inclusion. I've heard nothing but very positive reports from my own staff and across the network; it was a unifying and uplifting day!

In summary, the CMP Capitol staff is very excited about this upcoming school year! We are acknowledging and identifying as a team--personal intentions, team intentions, and intentions for our student body and community. We envision this year to be one where we shift away from the negativity, anxiety, and fear perpetuated by the COVID-19 pandemic and toward positivity, joy, and love. Collectively, we spoke of feeling this shift, which only confirms Maria Montessori's words, "Of all things love is the most potent."
