Campus Update

The school year is in full swing. We are busy completing the beginning of the year iReady Diagnostic assessments as well as the other Montessori and curricular assessments in the classroom. On Monday, we begin the TK-3rd grade Reading Rotations. All students will participate in either a letter name and sound group or a SIPPS reading group. We are so excited for this new program at our school.

Our Club Montessori program will be moving to a new location soon. We are so happy that San Juan Unified has given permission to use an empty preschool room. This new space will allow our program to be located closer to the school office and the MP room. It will also give our Intervention team and Library a dedicated space back. We are so thankful for this change and we appreciate our CMP Orangevale families for their understanding as we settle in.
