

VICTOR CENTRAL SCHOOL Foodservices

Welcome to all new and returning teachers/staff! Just a few new things and reminders:

All of our food items are available a la carte.

**New teachers can request an account by emailing Alexandra TePoel-Dewitt.
Tepoel-dewitta@victorschools.org**

Purchasing our delicious and nutritious meals is very convenient when you set up a meal account with us. After your account is set up, you can either add money in advance, or pay by check or cash at the time of your purchase. Send us your name and building and we will be more than happy to set up your account for you.

If you would like to order a specialty salad/wrap, you may order it right on the district lunch count. The bottom of the sheet has a tab just for you. Click link below and save to your bookmarks.

We will NEED these orders by 9:30 AM.

Please remember that we **CANNOT** and **WILL NOT** allow adults to charge (negative) on their accounts. The link below is the district policy regarding meal charging. Last paragraph pertains to staff/adults.

If you do not have sufficient funds on your account or money/check to complete the purchase in full, you will have to wait to make the purchase, until you have the appropriate funds. (Can you go to a restaurant or store and leave without paying in full? Same rules apply here.)

Please feel free to contact the Food Services Department, by calling ext. 6470 or 6471 or email tepoel-dewitta@victorschools.org with questions. The building cafeteria manager at each school will also be available to assist you with your needs.

We look forward to promoting district wide health and wellness by offering nutritious and delicious meals (and a cookie every now and then, everything in moderation!) to the staff of VCSD. Thank you for your participation in our meal program and have a great year!

Alix TePoel-DeWitt RD, CDN, Director of Food Services
