## REQUEST: WHOLE-GRADE OR SINGLE SUBJECT ACCELERATION EVALUATION

Deer Park Community City School District Policy provides for the evaluation of requests for whole-grade and single subject acceleration. Requests for evaluation of acceleration must be made in writing and signed by a parent or legal guardian of the student.

This form may be used to present your request for evaluation of acceleration. Once the form is returned, the principal will hold a preliminary meeting with the parents. The district gifted specialist will gather data and schedule tests as necessary for evaluation. If the evaluation is to move forward the principal will schedule a meeting to review the request with some or all of the following people: parent(s)/guardian(s), principal, receiving principal when appropriate, district gifted administrative support person, curriculum leaders, current classroom teacher, possible receiving classroom teacher, gifted intervention specialist, school psychologist, counselor, and others as necessary.

Return the completed form to the building principal.
