3. PRESIDENT'S STATEMENT:

This meeting is being conducted by a majority of the members of Deer Park Community City School District Board of Education pursuant to Ohio Revised Code Section [3307.353].

The purpose of the law and this meeting is to provide members of the public with an opportunity to express individual responses to the Board's contemplated employment of Joseph Vetter in the position of Teacher at Deer Park Jr./Sr. High School.

The statute is silent with respect to the way in which this meeting should be conducted and appears to leave such matters to the discretion of the Board of Education. Accordingly, this meeting will be conducted as informally as possible. Due to the COVID-19 pandemic and our necessity to hold our meeting virtually, we have given prior notice to the public that they can address the board through our electronic questionnaire that is digitally linked to our virtual board

meeting page on the district website. We will read each statement publicly as a Board of Education.

The Board will not condone any statements that are not based upon fact. Statements must be limited to the contemplated employment. Finally, as President of the Board, I reserve the right to restrict inappropriate comments and the general procedure of the meeting. The members of the Board of Education will not entertain questions, respond to comments, or interrupt the public's opportunity to express concerns or make statements. Each person addressing the Board through the electronic questionnaire shall identify himself/herself and his/her address.

This meeting is required by law and is the right of the public, which this Board understands and respects.
