During Board Discussion, the Board and Superintendent Jay Phillips discussed that there are community members that did not know about the community conversations. Mrs. Huster went around to about 65 homes and only a handful of people knew about the community conversations. There has also been concern about inaccurate information going out to the community and that Deer Park Schools is trying to push the decision through quickly. It was discussed that more information needs to be shared with the community. Superintendent Jay Phillips will send out a letter with additional information to the community to answer any questions. Also, there needs to be an additional Board Meeting for Community Input that focuses on the Howard/Holmes conversation so that community member's voices can be heard.

Mary Jo Scalzo continued with the Ohio School Foundation Leadership Discussion for Board Development.

Agenda topics that were discussed are as follows:

High impact community intensive issue.

Time sensitive issue.

Finalize Commitment Statements.

Practice Protocol Writing.

Reflect: Purpose, Process, Products.

Identify: Now What?

Conclusion.

ADJOURNMENT
