

## Nueva Visitor Policy

*(Updated Sept. 7, 2022)*

For visitors expecting to have extended contact time directly with students during the school day:

- Negative at-home antigen test (at-home test acceptable) required.
- Negative result must be reported to [My.Primary.Health](#) the night before or morning of visit.
  - Visitors will need to register with [My.Primary.Health](#) first.

For all visitors:

- Vaccination/boosters strongly recommended and status required to be reported [here](#)
- Daily self-screening required; if symptomatic for any reason, awaiting a test result, or completing required/recommended isolation, please stay home
- Masking welcome and supported but not required
- Whenever possible, air filtration or ventilation is required in indoor spaces where visitor spends time; outdoor meetings/visits are recommended.
