DISTRICT RECOGNITIONS

Recognitions:

- a. The board would like to recognize the accomplishments of this year's Marching Wildcats and fall sports teams. The Marching Wildcats successfully qualified for the State Competition making it their 28th consecutive year qualifying and also earned a 1-Superior Rating for the first time since 2015. The Wildcat athletic teams also saw many successes this fall culminating with the boy's football team making it to the second round in the State playoffs before losing to a very talented Coldwater High School football team. Congratulations to all fall athletes including the boys and girls cross country teams, boys' and girls' soccer, volleyball, football, cheerleading and a special thank you to the coaches, parents, and staff who helped to make this season a success.
- b. The board would like to recognize and congratulate John Applegate on his retirement from the City of Deer Park as auditor and celebrate his successful career in public service. John has also served for many years as a dedicated and committed member of the Deer Park Community City School District's Financial Advisory Committee and we are very thankful for John's service to our school district.
- c. The board and administration would like to congratulate and recognize Penny Hodge for her 24 years of dedication and service to Deer Park Schools. The impact you have made with our students and staff over the years at Amity goes above and beyond. We wish you the best of luck in retirement and look forward to seeing you as you continue to work with the Amity Youth Service Club and in other roles within the district.
- d. The board would like to recognize and send it's heartfelt thank you to the many teachers, administrators, parents, students and community members who helped support the district's recent operating levy. There are many of you who spent countless hours making phone calls to district residents, walking door to door to speak with district residents, addressing envelopes, hosting community conversations, making signs for and participating in the honk and wave, and the list goes on and on. To each and every one of you, we want to say thank you. We do want to specifically recognize and thank our levy committee chairs; Nic Huster, Karen Henry, Meghan Beach, and Michelle Pennington. These four people helped lead, communicate, and complete the endless tasks that must happen when a school district decides to run an operating levy. We also want to thank Greg Huster..aka Pops, Chris Huster, and Greg Huster Jr. The amount of time, energy, and the commitment shown to see the levy through to the end for the benefit of all of our Deer Park students is truly appreciated.
