September 15, 2022

Dear Twin Valley School District Parents/Guardians,

We are excited to share the recent news that on September 9, 2022, the State announced that it will make it possible for all schools participating in the School Breakfast Program (SBP) to provide free breakfast for all enrolled students during the 2022-2023 school year. Free breakfast goes into effect on Monday, October 3, 2022, and your child will be automatically enrolled in this program and will be able to have a free breakfast for the remainder of the 2022-2023 school year.

A free breakfast consists of choosing the following three food items: meat/meat alternative, grains, fruits and vegetables, and milk. Additionally, one of the food items must be a fruit or vegetable. Our food service staff will always help guide the students to make it a meal; however, if the student chooses to select less than the minimum items, the student account will be charged a la carte.

Please keep in mind that this change does not apply to the National Lunch Program, so we still encourage everyone to continue to apply for the Free and Reduced Meal Program at [School Café.com](https://www.schoolcafe.com). You can find that link on the [Food Service Department](https://www.foodservicepa.com) web page under Quicklinks. Other sites to apply for the program are www.compass.state.pa.us or simply by filling out a manual form and returning it to your child's school office. Should you have any questions, please feel free to reach out to Karen Johnson at kjohnson@tvsd.org or Stephen Amore at samore@tvsd.org. You are also welcome to call our office at (610) 286-8600 x1679. We look forward to serving your children!

Sincerely,

Steve Amore
Operations Director
