Do you have used books at home that you don't know what to do with? Did your younger siblings outgrow some of their books? If so, consider donating them to our Blessings in a Backpack program. We are collecting all gently used books that students from Pre-K to 12th grade would enjoy. Drop them off in Room 242 before or after school or during the change of class. Every time you bring in a book, you can scan the QR code to be entered into the PBIS prize drawings. See Mr. Tomecko in Room 242 with questions. Thank you for your support!
