10900 ROCKVILLE PIKE | NORTH BETHESDA, MD 20852 | [WWW.GPREP.ORG](http://www.gprep.org)

ACADEMIC PROFILE 2022 - 2023

THE SCHOOL AND MISSION

Georgetown Preparatory School is a Catholic, Jesuit day and boarding school for young men in grades 9 through 12. Founded in 1789, Georgetown Prep is governed by an independent Board of Trustees and operates under the auspices of the Society of Jesus. Occupying a 93-acre campus in the suburbs of Washington, DC, it is the country's oldest Catholic secondary school for boys. Prep's mission is to form men of competence, conscience, courage, and compassion; men of faith and men for others.

GRADING SCALE (revised as of 2022-2023 academic year)

- Cumulative grade point averages are based on final grades earned in Prep courses, using a 100-point scale.
- GPA's are not weighted and Prep does not calculate nor report rank in class.

A = 90 - 100 B = 80 - 89 C = 70 - 79 D = 65 - 69 F = Below 65

ACADEMIC PROGRAM

- Georgetown Prep delivers a demanding and balanced liberal arts curriculum.
- All courses, no matter the level, are academically rigorous and promote high-level analytical thinking.
- Students must fill at least six and no more than seven class periods a day.
- AP Biology, AP Chemistry, and AP Physics are the only classes which take up two periods.
- Departmental and/or administrative recommendation is required for enrollment in certain Honors or AP courses.
- All students enrolled in an AP course must sit for the corresponding AP exam.
- Students may, with the approval of the Academic Dean, enroll in summer academic courses. Courses taken for a grade will have that grade calculated into their GPA.
- When students wish to pursue courses that Prep does not offer, they can petition to do so via an online course or under the mentorship of a teacher via an Independent Study.
- Students earning below 70 as a final average in an academic year course are required to take a summer course for remediation.

STUDENT LIFE

Arts: With the exceptions of Prep Singers I and Instrumental Ensemble, which meet during the school day and count towards a student's fine arts graduation requirement, performing groups rehearse outside of the school day. Opportunities include chamber orchestra, jazz band, Prep Singers II/A Cupola Hoyas, plays, and musicals.

Activities: Most clubs and activities are student-organized; they meet during breaks in the school day, at lunch, and after school. The largest and most long-lasting organizations include: Arrupe Service Society, The Black Student Association, Best Buddies, Blue and Gray (literary magazine), The Little Hoya (the student newspaper), The Mandarin Club, The Math League, Model O.A.S., Model U.N., National Honor Society Tutoring Program, Robotics, The Spectrum Club, Speech & Debate, Student Government, and Yearbook.

Athletics: Students must pursue at least one season of athletics in grades 9 and 10 to graduate. Prep fields 28 teams, including 15 at the Varsity level. Programs include football, lacrosse, basketball, baseball, golf, track & field, cross country, swimming, wrestling, tennis, rugby, and hockey. Club-level competition is available in fencing.

Community Service: Students participate in group service projects each year, and seniors must complete an individual service project of 50 hours. A graduate will complete 100 hours over four years.

Spiritual Life and Retreats: The community gathers several times per semester for mass and worship. Students participate in grade-level retreats each year, frequently with the guidance of upper class leaders in the Love In Action (LIA) program.

DISCIPLINARY DISCLOSURE

It is the policy not to provide information about a student's disciplinary status or history unless it would potentially impact the safety or security of a campus community.

GEORGETOWN PREPARATORY SCHOOL'S COVID-19 RESPONSE

The Georgetown Prep campus was closed from mid-March through October 2020; during this time, courses were virtual and synchronous, and students were held to the typical standards of academic excellence. When campus re-opened for the 2020-2021 school year, students engaged in an eight-period, non-rotating, synchronous and hybrid schedule from 8:15 a.m. - 2:30 p.m. every weekday except Wednesday. Students and families were given the option to return to campus or to continue with distance learning. The dorms reopened in Fall 2020, although many students were unable to return to the U.S. and therefore participated in virtual learning in time zones up to 13 hours difference from EDT/EST. Students received numerical grades for all assessments; transcripts for all students therefore appear identical to pre-pandemic transcripts.
