

Good morning, Parents & Families!

I am excited to announce that today we are starting the Domino's Pizza Fundraiser. The money raised will go toward i-ready and beautification roof over walkway.

Here is a video that will explain everything you need to know about the program! The remaining eight videos should be watched throughout the course of the two weeks: [The Slice the Price Card | Fundraising Made Easy - Day 1](#)

Let's begin by checking out your school's dashboard: <http://stpcards.com/37860db>

Scroll down to the section "Register to Pick Your Prize" or click here (<http://stpcards.com/37860r>). Once you register, your child will be able to pick their prize and share their very own store link! Once the fundraiser is complete, they will receive the prize they selected from the highest level they qualify for. After registering, share your child's link via email, text, and social media! When a customer clicks on your link it will take them directly to your child's store to purchase a card and we will send the card directly to them. Using your personalized link will ensure your child is given credit for the purchase.

Also, once you register you will have two chances to earn a \$50 Amazon card! The registered student with the most cards sold by 9/19 at 11:59 p.m will win a \$50 Amazon gift card (when our school sells at least 100 cards online).

For questions, please call the hotline number: 866-252-6103

Thank you for participating and supporting our school!
