

THE HAVERFORD SCHOOL

College Profile, 2022-23

The School

Independent preparatory school for boys, pre-kindergarten-12 located in Haverford, PA

Accreditation

Pennsylvania Association of Independent Schools (PAIS) and Middle States Association of Colleges and Schools (MSACS); member of the National Association of Independent Schools (NAIS) and International Boys' Schools Coalition (IBSC)

The Haverford School's Response to COVID-19

In March of 2020, Haverford moved quickly to virtual learning. Students fully engaged in their classes daily, and the majority of the academic program was synchronous. The rigor of our classes was not compromised and students continued to receive letter grades.

In September of 2020, Haverford returned to in-person classes. The 2020-21 and 2021-22 academic years consisted of a modified block schedule, where students took two or three courses each quarter. Semester-long classes were taught in a single quarter, and year-long courses spanned two quarters. For the 2022-23 academic year, students returned to taking traditional semester and year-long classes.

Activities & Clubs

The Upper School has more than 35 clubs. Robotics has the most signature event wins of any robotics team in the world and have won the Pennsylvania State Competition 10 years in a row, *Index* newspaper (2020 gold medal, Columbia Scholastic Press Association), *Pegasus* literary magazine (2020 gold medal, Columbia Scholastic Press Association), Diversity Alliance, Mock Trial, Poetry Club, and others.

Arts & Music

The School has 10 art spaces and a design and engineering studio in which students practice drawing, painting, photography, industrial design, website design, video and animation, ceramics, and woodworking. The theater program stages productions each year in the state-of-the-art Centennial Hall and consistently earns Cappie Awards. The choral ensembles have sung at Carnegie Hall, the Academy of Music, and on tour throughout Europe.

Athletics

Haverford is a proud member of the Inter-Academic League and fields 16 interscholastic sports. The teams compete for The Ben Heyward Memorial All Sports Trophy each year, which is awarded to the member of the boys' Inter-Academic Athletic League that accumulates the most points for place finishes in league sports throughout the year. The Fords have won the cup 18 times since its inception, which is seven more than any other school in the league.

Service Learning

Service Learning is a cornerstone of a Haverford School education, with Upper School students leading projects dedicated to a variety of causes, including environmental work, tutoring, supporting the food insecure, and working with the elderly. Every student takes part in service activities and considers how service relates to the School's 24 Core Virtues.
