

Community College System of New Hampshire - Dual and Concurrent Enrollment

Inter-Lakes School District students may participate in the dual and concurrent enrollment programs provided through the Community College System of New Hampshire such as Running and eStart. Successful completion of these programs provides the student with Inter-Lakes High School credit and Community College System of New Hampshire credit.

Additionally, Inter-Lakes High School students in grades 11 and 12 may participate in the STEM (science, technology, engineering, and mathematics)-related Dual and Concurrent Enrollment Program as defined by RSA 188-E:26. This includes concurrent courses at Inter-Lakes High School and Huot Technical Center; and dual courses through the Community College System of New Hampshire.

The Superintendent shall designate an Inter-Lakes School District point of contact who can provide for student counseling, support services, course scheduling, managing course forms and student registration, program evaluation, course transferability, and assisting with online courses relative to the Community College System of New Hampshire dual and concurrent enrollment programs. The Superintendent or his/her designee shall establish regulations for the dual and concurrent program which:

1. Inter-Lakes School District will work in partnership with Community College System of New Hampshire to establish a collaborative agreement for the Dual and Concurrent Enrollment Partnership. The agreement will minimally address the following:
 - a. Requirements for compliance with measurable educational standards and criteria mutually approved by the Inter-Lakes School District and Community College System New Hampshire;
 - b. Requirements that courses minimally meet the same standard of quality and rigor as courses offered on campus by Community College System New Hampshire;
 - c. Requirements that program and courses comply with the standards for accreditation and program development established by the National Alliance for Concurrent Enrollment Partnerships;
 - d. Criteria for student eligibility to participate in the program;
 - e. Standards for course content;
 - f. Standards for faculty approval;
 - g. Requirements for program coordination and communication;
 - h. Tuition, fees, textbooks and materials, course grading policy, data collection, maintenance, and security, revenue and expenditure reporting, and a process for revision and/or renewal of the agreement;
 - i. Requirements for annual notification to high school students and their parents of Community College System of New Hampshire dual and concurrent enrollment opportunities.
