

Celebrate Creativity with Your Students & Community!

January 23-29, 2023

Join over 12,500 schools around the world to celebrate the creativity and originality in every child. Plan now to participate in this activity-filled week that's full of creative inspiration and experiences for students, teachers, and families.

Key things to know:

Free Creative Learning Resources!

Free cross-curricular video activities, downloadable project ideas, and free access to digital resources for cross-curricular creative learning fun all year long!

Giveaways!*

With daily giveaways, creative challenges from celebrity creators, and a livestream assembly event, it's a celebration the whole school will want to be a part of!

Create Connections!

Share students' ideas, projects, and work in a secure online gallery, and connect with creative classrooms around the world during the live Student Celebration Assembly event.
