John Carroll Catholic High School

Fall 2022 | **The 75th Year**

# A MESSAGE FROM THE PRESIDENT

---

## Dear Friends of John Carroll,

Three quarters of a century ago, John Carroll first opened its doors to provide a faithful, innovative, and Catholic educational option for families throughout the Birmingham area. Over these 75 years, we have seen much change in our community. No longer are we a community clustered around steel mills along Jones Valley but now sprawl across a multi-county footprint. No longer are we serving the children and grandchildren of immigrants attracted to the economic opportunities of heavy industry in the Magic City. We now serve students and families from across our region attracted to our region's booming health, finance, and technology based economy.

Our alumni have gone on to make signature contributions to our larger society. They have gone on to leadership roles in the Church, in our community, nation and world, and in their families; and we couldn't be more proud of them all!

We continue to offer a high quality, Catholic education for families throughout our region; and we are looking to the future. While much has changed in our society and our school, we are confident that the education of the whole person that Catholic education uniquely offers is critical for a happy, healthy, and holy future for our community.

In this anniversary year, I invite you to honor the legacy of those who have gone before and ensure excellence for students now and in the future.

In Christ,

Fr. Bob Sullivan, '82  
President

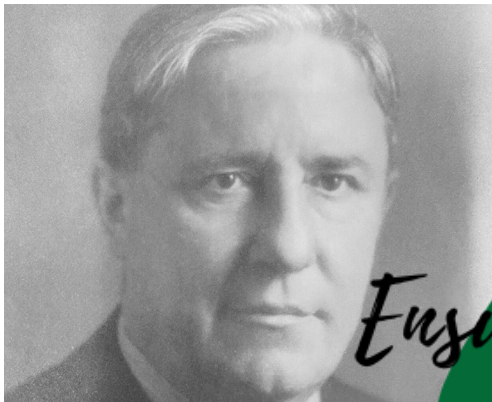

*We've built something great for God,  
something great for our children.*

- Archbishop Thomas J. Toolen D.D.

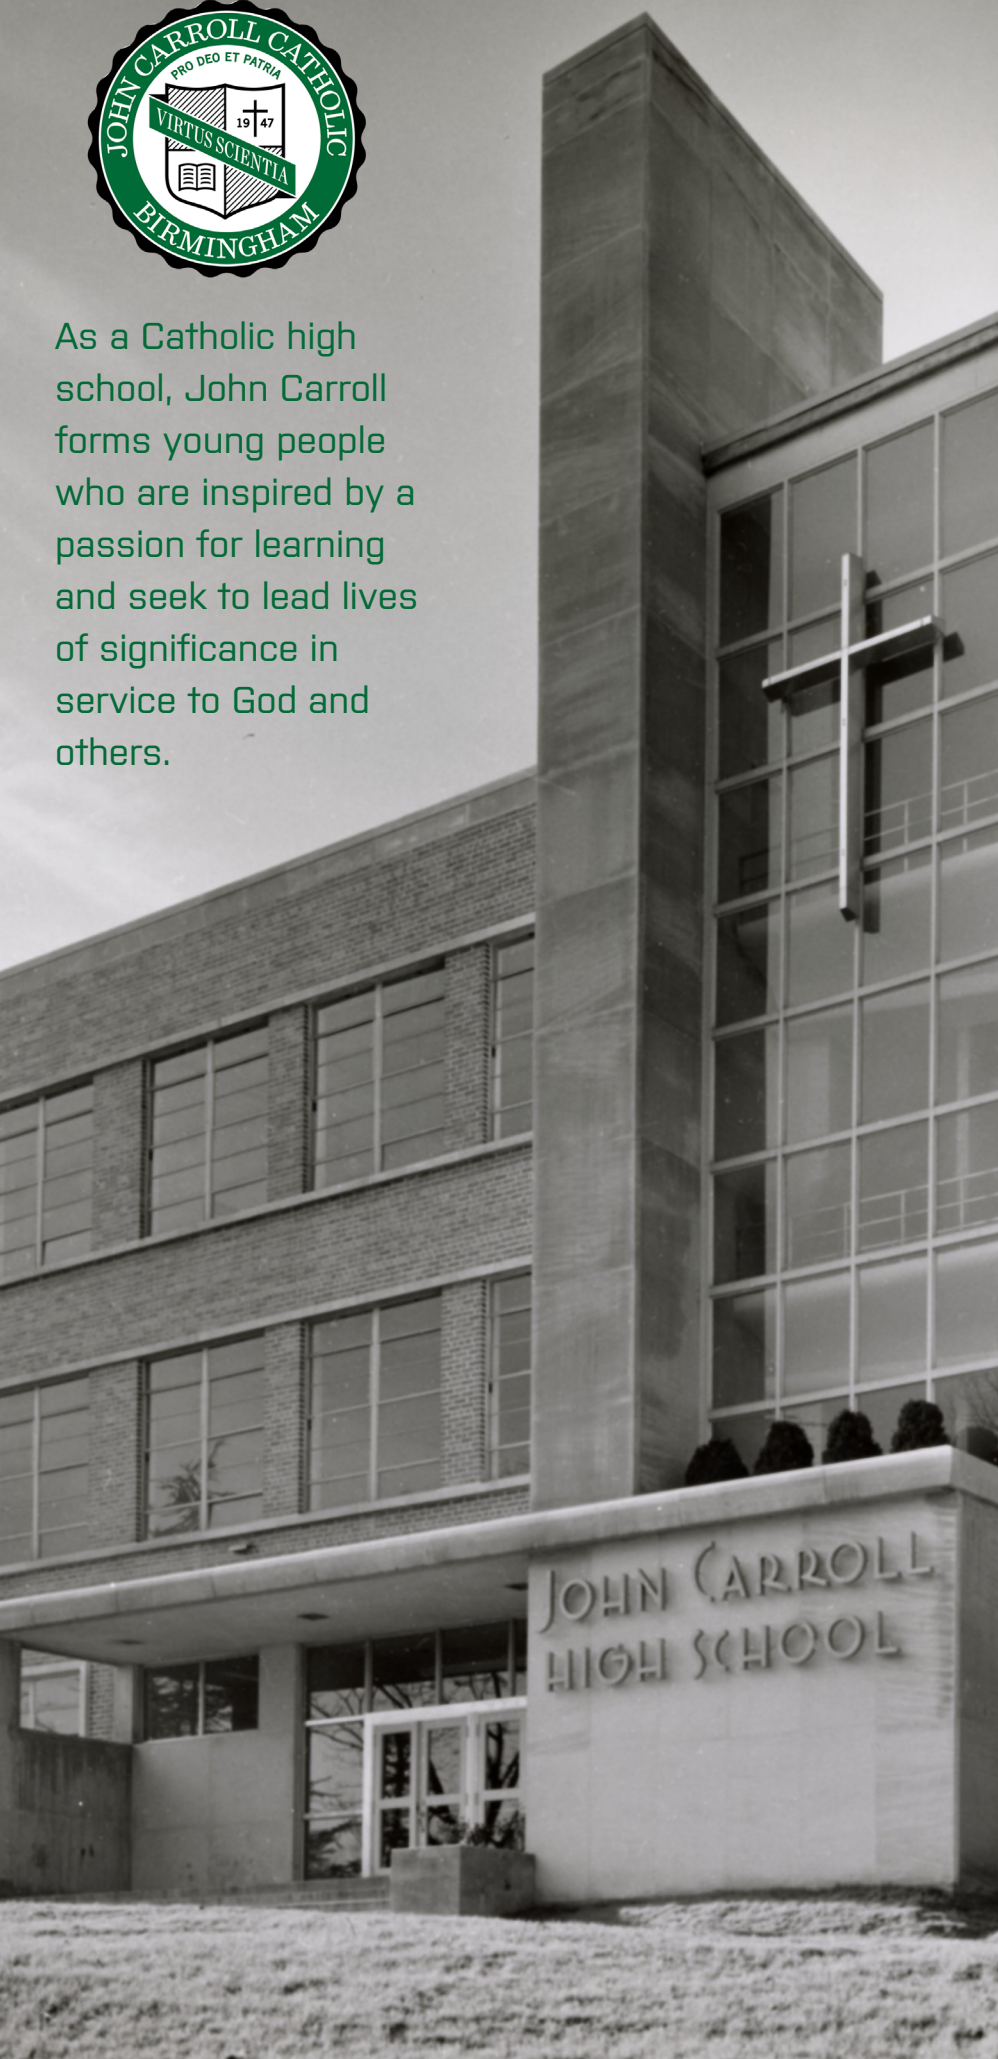

*Ensuring Excellence*  
1947-2022

As a Catholic high school, John Carroll forms young people who are inspired by a passion for learning and seek to lead lives of significance in service to God and others.

# OUR STUDENTS

Our students reflect the diversity of the broader Birmingham community. John Carroll prepares them to flourish as individuals, in family-life, and in their communities of the future. John Carroll education is an experience that sets young people up for a lifetime of success in learning, leadership, and service.

John Carroll's enrollment has increased more than 10% in the past two years and continues to be the most diverse high school student population in the Birmingham Metro. Each year, our enrollment footprint has expanded as we welcome families from across Central Alabama. We currently serve students coming to us from more than 29 different communities spread across seven counties.

John Carroll accepts applications from all schools (public, private, and homeschool) but maintains a special relationship with the Birmingham Catholic elementary and middle schools. Our Lady of the Valley, St. Francis Xavier, Holy Family Catholic Academy, Our Lady of Sorrows, Prince of Peace, and St. Rose Academy are our partners in the mission to deliver an educational foundation rooted in Christ. We are proud to work with this coalition of parishes, school leaders, and teachers to bring an excellent K-12 Catholic education to a vibrant Catholic community.

# JOHN CARROLL TODAY

## OUR SUCCESS

Marked by growth in character and virtue, combined with high academic standards, John Carroll students are change-makers who are guided by the beauty of the Faith in all that they do. A John Carroll education goes beyond the rigors of the classroom as we seek to educate and inspire the whole person: spiritually, academically, creatively, and athletically.

As the 75th graduating class from John Carroll Catholic High School, the Class of 2022 will be remembered as one that achieved many outstanding milestones, overcoming significant challenges and leaving their mark on the history of the school. Impressive scholarship awards, 100% attending college or going on to serve our country, eight collegiate student-athletes, and notable community services performed - the Class of 2022 excelled, despite spending a portion of their high school career socially distanced, behind masks, and learning via virtual teaching methods.

Graduates from the Class of 2022 will be studying all across the country; Northeastern University, Columbia University, Wake Forest University, Boston College, Louisiana State University, St. Bonaventure, Belmont Abbey College, Bellarmine College, and The University of Mississippi accompany an impressive list of in-state acceptances. Together the class earned \$7.5 million in scholarship aid.

You can read more about the achievements of the Class of 2022 on pages 26 and 27.

# HOW WE'RE FORMED

In the great Catholic educational tradition, the spiritual life suffuses all we do at John Carroll. Opportunities for worship, service, leadership, and spiritual growth for all students sets John Carroll apart with Campus Ministry as a cornerstone experience for Cavaliers.

Students participate in weekly student-led school Masses, First Friday Mass and Adoration, through the offering of the Sacrament of Reconciliation, through our morning and afternoon prayers, and through visits (collectively and individually) to our beautiful school Chapel.

Our community is further strengthened by our grade level retreats, by our virtue-based SportsLeadership program, through Praise and Worship Nights, by attending the annual March for Life (in Washington D.C. and in Birmingham) and by Kairos (upper class retreat) and Metanoia (underclass retreat).

The Campus Ministry program forms the heart and soul of service and discipleship at John Carroll. Whether acting as Peer Mentors, participating in Sodality (female students) or Bible Study (male students), our students have the chance to grow and share their love of Christ with one another.

John Carroll's faculty includes two Dominican sisters of St. Cecilia (Nashville), a full-time director of Campus Ministry, a priest Campus Chaplain, and two more priests serving in school leadership. Together, they work as a team to lead the spiritual direction of the school. This year, 5 JCCHS students were welcomed into full-communication with the Catholic Church and another 5 were confirmed.

## JOHN CARROLL TODAY

# HOW WE SERVE

A John Carroll education is one that involves formation of the total person. During each student's four years at John Carroll they will be challenged to grow physically, emotionally, mentally, and spiritually, and a major part of this growth in these areas happens through their time in service to others.

At John Carroll, our faith in God is manifested through our love, concern, and service for others. By reaching out, we learn and understand more about the needs of others. Our talents, so often taken for granted, become more appreciated and developed. With Jesus as our model, we are encouraged to give back to our communities through the gifts that God has given us.

During the 2021-2022 school year John Carroll began its inaugural Sophomore Serve Day. This day, which will be set aside each year in early September, involves 10th grade students fanning out across the greater Birmingham area to spend a day in service to various Catholic parishes and numerous non-profit organizations.

At graduation, the Cavalier student has achieved considerable knowledge of the many needs of our school and local community - helping prepare them for the day when they will become the competent and concerned leaders of their own families, businesses, and communities.

This past year Cavalier students served their community a total of 8,365 hours.

## JOHN CARROLL TODAY

# HOW WE STRIVE

For John Carroll students athletics are an integral part of the student life. Cavaliers know that commitment, the pursuit of excellence, and growth in virtue and character are where rewards are achieved....not just in games but in practice and more importantly, in the challenge of daily life. Whether we're on the court, on the field, in the water, or cheering from the stands - Cavaliers are a part of something bigger than themselves.

The 2021-2022 school year saw JCCHS field nearly 70 middle school and high schools sports teams competing under the proud John Carroll name and logo. Including the addition of the first ever girls flag football team which ended the season with a 12-1-1 record and finished in the top 4 in the state of Alabama.

# HOW WE GROW

Dedication to the creative arts infuses student life at John Carroll. Students in all fine arts disciplines engage in projects designed to promote and reinforce each individual student's God-given talents and artistic gifts.

The chance to explore acting, stagecraft, directing, communications, marching and concert band, the choir, and the visual arts are all part of the John Carroll experience and another reason our students are able to grow in all areas of their lives.

This past year the John Carroll Thespians got back into full swing with two amazing stage shows that enchanted and amazed: the comedy, *Play On!* was the fall production and the musical, *Into the Woods*, was performed in the spring.

The John Carroll band and choir were in constant demand as their talents were key in enhancing many events at John Carroll throughout the year. Choir and band concerts filled the calendar as combined they participated in more than 75 events during the year. Additionally, no sporting event would be complete with the National Anthem and both the band and the choir were always on hand to showcase their collective talent.

# JOHN CARROLL TOMORROW ENSURING EXCELLENCE

## Our Faculty

Excellent, caring teachers are a pillar of the John Carroll experience, and no teachers are paid enough for the tremendous gift of self they offer.

On average, John Carroll teachers bring more than a decade of experience to their classrooms. We are thrilled that they have chosen to spend their lives with our young people, knowing that they have selected a less-traveled path with different expectations and standards than many of their teaching peers.

Currently, 75% of the teachers at John Carroll have a Masters Degree or higher (5 faculty/administrators hold a doctoral degree). John Carroll teachers challenge our students to achieve academically and instill a love of learning.

The Ensuring Excellence Campaign will make certain that John Carroll remains committed to attracting outstanding teachers to share in our mission and ensure excellence for decades to come.

## Our Responsibility

A Catholic education isn't always easy... it involves commitment, dedication, and sometimes sacrifice, but it always means Gospel values, faith-filled fellowship, truth, beauty, and goodness. It always means that Cavalier students will have an advantage for life.

Affordability and access remain a top priority for John Carroll in accord with our Catholic faith. Our goal is to serve all families that choose to invest in their child's future by committing to a Catholic education.

It is through philanthropic support that we are able to continue to offer extraordinary educational opportunities to students of all backgrounds who would not otherwise attend John Carroll.

Approximately 1/3 of our student body population receives financial aid totaling over \$500,000. We believe that cost should not be a barrier that prevents deserving students from attending John Carroll and the Ensuring Excellence Campaign will enable us to grow funds that are focused on need-based financial aid.

# JOHN CARROLL TOMORROW ENSURING EXCELLENCE

## Our Spirit

At John Carroll, athletics aren't just an extra-curricular activity, they're an integral part of student life. Cavaliers know that commitment, the pursuit of excellence, and growth in virtue and character is also where rewards are achieved.

Most evenings throughout the school year our sports teams jockey for practice and playing time. The John Carroll gymnasium is booked continuously from 6:30am - 9:30pm almost daily.

Our commitment to educating the whole person; mind, body, and spirit, calls us to enhance our competitiveness, in athletics and in the classroom.

The Ensuring Excellence Campaign will generate support for John Carroll athletics, while also providing capital that will allow us to upgrade current athletic facilities for our 60+ teams that compete under the John Carroll name.

## Our Campus

A school that started in downtown Birmingham continues to flourish in its current location; situated along Lakeshore Parkway and convenient to the greater Birmingham community. Now 30 years old, the Bruno Campus is a fitting home for John Carroll's many legacies. It is essential that it remain an inspiring place for students to learn and grow, and for it to continue to be the hub of community life for our families and for the greater Catholic community in Central Alabama.

Making strategic capital improvements will allow John Carroll to provide our educators with the best learning and teaching environment possible.

Currently, yearly expenses for electricity and HVAC maintenance run approximately \$250K and \$100K respectively. Making strategic capital improvements will carry John Carroll confidently into the future with a campus that is more environmentally sustainable and remains an inspiring host for learning.

John Carroll has proven its ability to adapt and evolve and through the Ensuring Excellence Campaign we will be able to support the capital and infrastructure needs that will see our current physical spaces well into the future.

NO LIMITS FOR CORPORATIONS!**

Go to [myalabamataxes.alabama.gov](http://myalabamataxes.alabama.gov), sign into or set up your MAT (My Alabama Taxes) account, report a donation to one of our partner SGO's.

You have 30 days to remit your payment to the SGO of your choice. The donation will be verified with the state.

A receipt will then be generated to your "Correspondence" folder in your MAT account.

*Because of the cap on Alabama tax credits (\$30 million in 2022), tax credits must be reserved through the Alabama Department of Revenue's ("ADOR") online reservation system.*

## Sam Rumore '67

Valedictorian. Former President of the Alabama State Bar

I am grateful for my 8th grade teacher and principal at St. Paul's School, Sr. Mary Grace, O.S.B. ♀, who came to John Carroll as a teacher with my class of freshmen in 1963. She was a great friend and advisor who made me aware of what Notre Dame had to offer (she received her Master's Degree there during summer study) and her good counsel influenced my life forever. Thank you, Sr. Mary Grace!

## Robert Lumpkins '64

Noted businessman and Honorary Doctor at Howard University

I'm grateful to Sister Dominica, who nurtured my interest in mathematics, sponsored my application to a National Science Foundation summer math program at Florida State after junior year, and stayed in touch with me for more than 30 years after graduation; and I'm grateful to all my classmates, who helped me navigate my awkward teenage years with only limited embarrassments. *Robert is shown with Gavette Richardson Duncan '09 who is the first winner of the Alabama Opportunity Scholarship to Howard University which Bob and his wife, Sara, started in 2013..*

## SENIOR CLASS POEM

# Garden of Abundant Memories

By Alexa Robinson

Walk through the garden of abundant memories  
Take in the sights, the smells, the things that used to be.  
Linger for a minute in a never ending bliss.  
Hold tight to the things that you may come to miss.

Stop and pick a flower, a bouquet of souvenirs  
Things to carry with you through each and every year.  
A flower for the laughs that you shared on sunny days  
A flower for the tears that I hope won't dry away.

On each flower there's a petal, a moment we hold dear  
Of times we spent together, when we had no fears.  
A petal for your futures, a petal for your friends.  
A "Thank you" to God, and for the time that he lends.

Hold tight to every flower, in that garden of memories  
Take a breath and cherish it, enjoy the gentle breeze.  
Remember this feeling, remember you and I  
One day you might need it, when things go awry.

Take your bouquet with you, don't be sad that it's time to go.  
The garden will always be here and the flowers will only grow.  
It's abundant after all, and those memories don't end.  
You'll always have your flowers, you'll always be my friend.

Say goodbye to the garden of abundant memories  
Farewell to sights, to smells...to things that used to be.  
Linger for a minute in a never ending bliss.  
Hold tight to the things that you may come to miss.

## CLASS OF 2022

# LEAVING THEIR MARK

As the 75th graduating class from John Carroll Catholic High School, the Class of 2022 will be remembered as one that achieved many outstanding milestones, and overcame significant challenges, on their way to leaving their mark on the history of the school. Impressive scholarship awards, nearly 100% attending college, eight collegiate student-athletes, and notable community services performed - the Class of 2022 excelled, despite spending a portion of their high school career socially distanced, behind masks, and learning via virtual teaching methods. We congratulate them and honor them for their fortitude, perseverance, and unyielding Cavalier spirit!

"The Class of 2022 will always hold a special place in the history of John Carroll. They are the 75th class to graduate - a wonderful milestone and testament to the enduring legacy of Catholic education and the importance of the role that we play in the forming of our future leaders; mind, body, and spirit. Congratulations to the members of the Class of 2022 - we know that you will carry the light of Christ and the spirit of John Carroll with you throughout your life."

- Father Bob Sullivan ('82), President

# JOHN CARROLL ALUMNI AND FRIENDS IN MEMORIAM

We remember our deceased alumni at every school liturgy. The list below includes those members of the John Carroll Community who passed away between July 2, 2021 and July 1, 2022 (when we went to press). These are the deceased that we are aware of. We have reached out to the families below with a family Mass card as well as a Student Campus Minister prayer card. We have also had a representative at the funeral and/or visitation when possible.

Professional Volleyball Player

I am grateful for my time at John Carroll Catholic High School because of all my coaches, teachers, and classmates who guided me into who I am today. Coach Ronald Steele became one of my biggest influences and mentors when he became my basketball coach my senior year and changed my perspective about success. As an incredibly successful man himself, he taught me how to always be humble, diligent, loving, and most importantly how to keep God first in everything I do.

## We are annual fund donors to John Carroll. Here's why:

---

"We are greatly blessed by the foundation that John Carroll gave to our lives. Everything we have and that we are is linked to our Catholic faith - the seeds of which were planted at John Carroll along with the education we received. A Catholic education is a gift that equips you in a special way for this world and that is why supporting John Carroll is always a priority for us."

# JOHN CARROLL FOREVERMORE

## The Ensuring Excellence Campaign

For 75 years, John Carroll has been committed to providing a Catholic education that forms young people who are inspired by a passion for learning and seek to lead lives of significance in service to God and others.

In September of 2022 John Carroll will embark on year-long celebration and campaign to guarantee our mission continues for decades to come.

Visit [jcchs.org/75thanniversary](http://jcchs.org/75thanniversary) for information about the Ensuring Excellence Campaign's four fundraising initiatives, special event dates, updates on campaign progress, and more.
