

Physics Specialist IB DP, with General Science IB MYP

An opportunity has arisen at our vibrant, highly successful MYP & DP Carmel School Elsa High School section for January 2023. A passionate and aspirational **Physics Specialist IB DP, with General Science IB MYP**, will join a dedicated, successful and professional team creating learning opportunities for students.

Carmel School is a leading international IB Continuum World School accredited to offer the Primary Years Programme (PYP), Middle Years Programme (MYP) and the Diploma Programme (DP). Carmel School is also accredited by WASC.

Job Duties

- work as a High School Subject Teacher as part of highly dedicated, successful and professional team creating learning opportunities for students
- assist in planning and implementing the relevant Curricula for Carmel School's Elsa High School and raise standards of student attainment and achievement within the whole curriculum area and to monitor and support student progress
- ensure the provision of an appropriately broad, balanced, relevant and differentiated curriculum for students studying in the learning area, in accordance with the aims of the school and the curricular policies

Requirements

- An undergraduate degree and a recognized teacher certification, i.e. Bachelor's degree in Education; or Postgraduate Diploma in Education or equivalent
- At least 2 years' teaching experience in IB MYP and/or IB DP
