

STA JG Parent Meeting Summary and Information Thursday, September 15, 2003

2022-2023 Season information, overall program expectations and policies were discussed. This information included team selection, season dates, planned tournaments and team trips, and the requirements for participation and player expectations. Preseason and tryout information was presented. Discussion about priorities including academics and personal character were discussed. STA AD Reed Hornung outlined the MSHSL mandated changes that are necessary for the JG program to move forward. Reed spoke to the value of the overall JG program and the opportunity available with JG hockey, noting this season is a transition year. He is targeting the completion of the changes by the end of the current season.

Below are the preseason skate dates. Players must complete a current USA Hockey registration prior to participation. A copy of the completed registration must be given to Mr. McCarthy before stepping on the ice for the first time. There is no charge for the sessions. All preseason skates take place at Saint Thomas Ice Arena.
