September 15, 2022

Greetings from the Orange Beach City Schools Child Nutrition Program (CNP). We hope you've had a great start to the school year. We are happy to provide our children with nutritious meals and snacks that promote their health and educational readiness. We are also happy to offer free and reduced price meals for qualifying households.

We would like to take this opportunity to remind you of a few important items.

1. **Free and Reduced Meal Applications** - if you would like to apply for free or reduced price meals for your child(ren), complete the Free and Reduced meal application attached. Once completed, print, sign, scan and email the document to mlambert@orangebeachboe.org or drop it by our office located at 4544 Orange Beach Boulevard, Orange Beach, AL 36531. Applications may also be turned in at the front office of your child's school.
2. **Prior year free and reduced price meal status ends September 22, 2022** - if your child received free or reduced price meals last school year, his/her status will expire Thursday, September 22, 2022. If you have not submitted your application for the 2022-23 school year by this date, your child will no longer be eligible for free or reduced price meals. Refer to point one above for the application process or contact your child's school to complete an application.
3. **Application status update for 2022-23** - If you submitted an application for the 2022-23 school year and have not received an update on the status of your application, you may contact CNP Coordinator, Michaela Lambert via email at mlambert@orangebeachboe.org or by phone at 251-424-1730 for assistance.
4. **Menus are now on our websites** - You can now access our cafeteria menus on our school websites. Please click on the appropriate link to see the menu.
