In accordance with federal law, members of the public, including parents, teachers and other employees, shall be permitted access to the asbestos management plan of the Interdistrict School for Arts and Communication. ## **Attendance and Truancy**

**(BOE Policy 5122)**

Regular and punctual student attendance in school is essential to the educational process. Connecticut state law places responsibility for assuring that students attend school with the parent or other person having control of the child. To assist parents and other persons in meeting this responsibility, the Interdistrict School for Arts and Communication (ISAAC), through its Executive Director, will adopt and maintain procedures to implement this policy.

In addition, ISAAC takes seriously the issue of chronic absenteeism. To address this issue, ISAAC, through its Executive Director, will adopt and maintain procedures regarding chronic absenteeism in accordance with state law.

Truancy Expectations:

"Truant" - any student **five (5) to eighteen (18)** years of age, inclusive, who has **four (4)** unexcused absences from school in any one month or **ten (10)** unexcused absences from school in any school year.

1. A student five (5) or six (6) years of age shall not be considered truant if the parent or person having control over such student has appeared personally at ISAAC office and exercised the option of not sending the child to school at five (5) or six (6) years of age.
2. A student seventeen (17) years of age shall not be considered truant if the parent or person having control over such student consents to such student's withdrawal from school. Such parent or person shall personally appear at ISAAC office and sign a withdrawal form indicating such consent. Such withdrawal form must include an attestation from a guidance counselor or school administrator from the school that ISAAC provided the parent (or person having control of the child) with information on the educational options available in the school system and community.
3. If a parent or guardian of an expelled student chooses not to enroll the student in an alternative program, the student shall not be considered to be "truant."

## **Bullying Policy**

**(BOE Policy 5011)**

The Interdistrict School for Arts and Communication (the "School") is committed to creating and maintaining an educational environment that is physically, emotionally and intellectually safe and thus

free from bullying, teen dating violence, harassment and discrimination. In accordance with state law and the School's Safe School Climate Plan, the School expressly prohibits any form of bullying behavior on school grounds; at a school-sponsored or school-related activity, function or program, whether on or off school grounds; at a school bus stop; on a school bus or other vehicle owned, leased or used by the School or through the use of an electronic device or an electronic mobile device owned, leased or used by the School.

The School also prohibits any form of bullying behavior outside of the school setting if such bullying (i) creates a hostile environment at school for the student against whom such bullying was directed, (ii) infringes on the rights of the student against whom such bullying was directed at school, or (iii) substantially disrupts the education process or the orderly operation of a school. Discrimination and/or retaliation against an individual who reports or assists in the investigation of an act of bullying is likewise prohibited.

## **Food Allergies, Glycogen Storage Disease, and/or Diabetes**

### **(BOE Policy 5141)**

The Interdistrict School for Arts and Communication (ISAAC) (the "School") recognizes that food allergies, glycogen storage disease ("GSD"), and diabetes may be life threatening. For this reason, the School is committed to developing strategies and practices to minimize the risk of accidental exposure to life threatening food allergens and to ensure prompt and effective medical response should a student suffer an allergic reaction while at school. The School is also committed to appropriately managing and supporting students with glycogen storage disease and diabetes. The School further recognizes the importance of collaborating with parents, adult students (defined as students age eighteen (18) and older), and appropriate medical staff in developing such practices and encourages strategies to enable the student to become increasingly proactive in the care and management of his/her food allergy, glycogen storage disease or diabetes, as developmentally appropriate. To this end, the School adopts the following guidelines related to the management of life threatening food allergies, glycogen storage disease, and diabetes for students enrolled in the School.

## **Food Services/Free and Reduced Price Meals Eligibility**

### **(BOE Policy 3542)**

The Interdistrict School for Arts and Communication (ISAAC) shall operate the school lunch program as authorized by, and under provisions of, applicable State and Federal statutes and regulations.

Food services shall include hot lunches and milk through participation in the National School Lunch Program. Where financial hardship exists, as determined by applicable State and Federal statutes and regulations, students may be eligible to be served free or reduced price meals.

The school lunch program shall be an integral part of ISAAC's total educational program. Administration of the food services program will be coordinated by the Executive Director or his/her designee. Business functions to be centralized will include the bulk purchasing of food and supplies, the planning of nutritionally balanced menus, and the regular audit of all accounts.

Monthly reports and operating statements for the school lunch program and cafeterias for ISAAC shall be prepared by the Director of Food Services and transmitted to the Executive Director or his/her designee.

The educational aspects of the school lunch program will be the responsibility of the building administrator, subject to advice, counsel and direction from the Executive Director and Director of Food Services.

The Executive Director of ISAAC shall, at his/her discretion alter or suspend the school lunch program as needed due to public health concerns or facilities difficulties.

The Interdistrict School for Arts and Communication announces its participation in the federally funded Seamless Summer Option (SSO) of the National School Lunch Program and/or School Breakfast Program. Under the SSO, nutritious meals are provided free of charge to all students 18 years and younger at the school. Any questions can be directed at our Food Services Coordinator, Julie Saunders, at (860)447-1003.

## **Non-Discrimination Statement**

[\(BOE Policy 5004\)](#)

The Board of Directors (the "Board") complies with all applicable federal, state and local laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities because of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status, subject to the conditions and limitations established by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status, or any other basis prohibited by state or federal law is prohibited, whether by students, Board employees or third parties subject to the control of the Board. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics. It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, or veteran status.

## **Pesticide Application**

[\(BOE Policy 3524\)](#)

The intent of this policy is to ensure that students, employees and parents/guardians of the Interdistrict School for Arts and Communications (ISAAC) receive adequate notice, in conformity with applicable statutes, prior to pesticide application in school buildings or on school grounds. ISAAC will only employ certified pesticide applicators for any non-emergency pesticide use in school buildings or on school grounds.

Pesticides are defined as fungicides used on plants, insecticides, herbicides or rodenticides, but not sanitizers, disinfectants, antimicrobial agents or pesticide baits. Integrated Pest Management is the use of all available pest control measures, including the judicious use of pesticides when warranted to maintain a pest population at or below an acceptable level while decreasing the unnecessary use of pesticides. Lawn care pesticides are pesticides registered by the EPA and labeled according to the Federal Insecticide, Fungicide and Rodenticide Act for lawn, garden, and ornamental use.

The application of lawn care pesticides on the grounds of schools with students grades eight and lower is prohibited except in emergencies. An emergency application may be made to eliminate a human health threat as determined by the Executive Director of Schools.

## **Parent-Teacher Communication/Complaint Procedure**

[\(BOE Policy 6024\)](#)

The Interdistrict School for Arts and Communication (ISAAC) believes that parents should be knowledgeable about the education that the school provides to enrolled students. ISAAC believes that parents are most knowledgeable when they have regular communication with teachers. Therefore, it is the policy of ISAAC to encourage parent-teacher communication. The Executive Director or his/her designee shall be responsible for developing procedures in furtherance of this policy.

ISAAC is further required to include information about parental involvement and actions taken to improve parental involvement, in the strategic school profile it submits annually to the Commissioner of Education. Such actions to improve parental involvement may include

methods to engage parents in the planning and improvement of school programs and to increase support to parents working at home with their children on learning activities. These policies and procedures may include periodic newsletters, required regular contact with all parents through the Advisory Model, monthly PTO meetings, home visits and the use of technology such as PowerSchool which allows parents to check on their children's assignments. Such policies and procedures shall require ISAAC to conduct two flexible parent-teacher conferences for each school year.

The Interdistrict School of the Arts and Communication encourages students and parents to take every opportunity to foster positive dialogue with faculty and staff. In the event a question or concern arises, students and parents should make their first contact with the classroom teacher. If the situation remains unsolved, the student and/or parent should then seek conversation with the school counselor, social workers, or case manager (for special education students). Should the situation continue to be an issue, students and parents should contact ISAAC Administration beginning with the Associate Principal, Tanya Collins, or Amy Geary, the Director of Student Supports, followed by the ISAAC Principal, William Linski.

## **Wellness Policy**

### **(BOE Policy)**

It is the policy of the Interdistrict School for Arts and Communication's Board of Education (the "Board") to promote the health and well-being of district students. In furtherance of this policy, the Board has created an Advisory Council on Wellness ("Advisory Council") to review any available state or federal guidance on wellness issues and to assist in formulating recommendations for specific goals and guidelines aimed at promoting lifelong wellness practices among district students. This Advisory Council involves parents, students, representatives from the school food authority (i.e. any private company employed to provide food services), teachers of physical education, school health professionals, school administrators, the Board, and members of the public and may also involve Supplemental Nutrition Assistance Program ("SNAP") coordinators or educators. The Advisory Council will be involved in the development and implementation of the policy, the triennial assessment and periodic updating of the policy.

# Purchasing

## (BOE Policy 3310)

ISAAC's purchasing policy and procedures are intended to comply with state and federal laws and regulations, applicable case law, and the Uniform Commercial Code (UCC). In addition, purchases involving federal funds shall comply with C.F.R. Sections 200.318-200.326.

The following objectives form the basis for the purchasing function:

- Buy the proper product for the purpose required;
- Have the product available when needed;
- Buy the proper amount of the product; and
- Pay the proper price.

The following guidelines apply to purchases of materials and services, subject to exclusions below:

- Micro-purchases (under \$10,000) may be made without soliciting competitive quotes if ISAAC considers the price to be reasonable, based on review or industry knowledge. To the extent practicable, micro-purchases should be distributed among qualified suppliers.
- Small purchases (\$10,000 and higher, but less than \$25,000) require documented quotes from an "adequate" number of sources (generally, three).
- Large purchases (\$25,000 and higher) require competitive bidding through sealed bid (lowest price); competitive proposal (RFP/RFQ – best fit for need); or, under limited and approved circumstances, a sole source provider.
- Any contract for services above \$50,000 must adhere to the state of Connecticut Nondiscrimination agreements and warranties under the Connecticut General Statute section 4a-60 and 4a-60a.
- Any purchases of \$250,000 and higher must be separately reviewed for compliance with Federal funding regulations, including C.F.R. Sections 200.322-323.

Purchasing thresholds pertain to the full amount of a purchasing agreement, not an individual purchase. Where an agreement relates to more than one fiscal year, the full amount of the contract shall apply. Small and large purchases under \$250,000 may be sourced under a competitively bid contract through a third party such as CT State Dept. of Administrative Services, an agency such as NASPO, or purchasing cooperatives or consortia such as PEPPM, Omnia and RESC-based cooperatives.

The Executive Director is authorized to set appropriate specifications for a contract or agreement to purchase. Solicitations will clearly describe the materials or services being requested; outline minimum standards and expectations; and identify requirements and criteria for evaluating bids. Bid solicitations will be made in a public manner, without regard to supplier's location or prequalification. ISAAC is committed to providing equal opportunities to certified small minority & women-owned businesses for procurement of goods and services. In accordance with Section 1010 of the Every Student Succeeds Act ("ESSA"), Public Act Law 1114-95, it is the policy of Interdistrict School for Arts and Communication (the "School") to provide parents and family members of students participating in the school's Title I program meaningful opportunities to participate in the education of their children within these programs. To facilitate parental and family participation, the School encourages parents and family members of Title I eligible students to be involved in regular meetings, communications, and activities that will inform them about the School's Title I programs, to participate in the improvement of such programs and to help improve their child's progress within these programs.

This policy has been developed jointly with, and agreed upon by, parents and family members of children participating in Title I programs. 2. the needs of parent and family members to assist with the learning of their children, including engaging with school personnel and teachers; and
3. strategies to support successful school and family interactions.
