Hi, Pharaoh Families!

Week three down, and we are in our groove! Thank you for an awesome school opening and supporting our scholars as they signed up for clubs. We have 178 scholars signed up and we still need your support with the remaining 22 scholars. Please check-in with your scholars to ensure they have signed up for a school club. Please remember that all new information will be highlighted in **RED**. Feel free to bookmark this link (rchs.rvaschools.net/about-us/principals-newsletter) for access to previous and future updates. Can't wait to see you at our Back-to-School Night on Wednesday, September 21st, 6pm to 7pm. You will have the opportunity to join the PTSA and follow your scholars' schedule to meet their teachers.

RCHS Procedures

- Main Doors open at 8:30am for students – Students that arrive early will have to wait outside of the school building until opening time indicated. All students must enter the building with a mask. Students that are not eating breakfast will report directly to the auditorium for our daily morning meeting. Students that are eating breakfast will report to the cafeteria.
- At the conclusion of our daily morning meeting, students will transition to their 1st period classes.
- New COVID-19 guidance is listed below. Please read over this information carefully. It has been updated and a lot has changed.
- All students will eat lunch together this year. Lunch will take place after 2nd period classes. Lunch times will vary based on the bell schedule of the day. We have three primary bell schedules (Regular, Activity, and Family/Club), which you can find on our website: rchs.rvaschools.net/about-us/bell-schedule
- All students must use the sign in/out system when leaving their classroom after receiving permission from their teacher. This is standard practice for our school culture.
- We will implement our 10/10 rule, which indicates no movement in the building during the first ten minutes and last ten minutes of class, unless it's an emergency.

COVID-19 Guidance for 2022-2023

The information below will be revisited every 2 months by the district, and you will receive updates.

RPS will continue:

1. Promoting vaccination and staying “up to date”
2. Consistent and correct use of masks inside (given High community level)
3. Testing
4. Ensuring HVAC/air quality
5. Handwashing/hand sanitizing
6. Cleaning and maintaining healthy facilities
7. Daily symptom checking and staying home when sick and getting tested

Key changes from last year are the following:

- Masks are not required outdoors on RPS property for staff or students; however, masks *are* required indoors for staff and for students (unless an opt out).
- Quarantine is no longer required after exposure for asymptomatic individuals; mask use, testing, and symptom monitoring are recommended (but not required).
- COVID-19 tests are available to all students and staff, as requested.
- The isolation period for positive individuals is 5 days (mask wearing and distancing during lunch required on days 6-10).
- Co-isolation is no longer required for ongoing exposures (household exposures); individuals should monitor symptoms.
- Communication frequency/protocols have been modified (daily updates will not be sent; cases will be tracked on the districts website).

Arrival/Dismissal

Below is a very important message from our Safety & Security Department after evaluating our dismissal and traffic process. Please adhere to these guidelines. Parent pickup and drop-off is at the front of the building on E. Brookland Park Blvd. Students and parents should be using the crosswalks at each corner to safely cross the street. Mid-block crossing is dangerous, and

visibility is limited. Drivers should follow traffic laws at all times. To avoid traffic collisions, no U-turns should be done in the middle of the street. We want all students and their families to arrive and depart safely at all times.

Please avoid using Woodrow Ave if possible, as this street is used for bus arrival and dismissal. If you have to use Woodrow Ave. when buses are loading and unloading, **vehicles are to remain stopped while the stop sign is out and flashing red.** (<https://law.lis.virginia.gov/vacode/46.2-859>) There is a fine of \$250 for violations of passing a stopped school bus.

****The safety of our students, staff, and community is our priority. Let us all do our part!**

Transportation

Please visit the link below for the most recent bus stop information. I strongly encourage you to look at this again over the weekend to ensure you are viewing updates. Once you click on the link, please click the high school tab and you will see all bus routes for RCHS.
