My name is Donna Masiello and I am kindergarten teacher.

I moved to Palm Coast from NY in 1992. I am married with four children, who were all Belle Terre bobcats.

My oldest son graduated from UCF and have 1 son who is a senior at UCF and twins who started UNF this August. I have a masters degree in Education and started teaching kindergarten at Belle Terre in 2015 after being a substitute teacher for five years. In addition to teaching, my husband and I own the The Village Pub and Deli in European Village and often spend my weekends helping there.

Felice Carter Rucker

- Grandparent to 2 children at BTES
- Multiple years as a PTO General Member and Board Member
- I love:
 - To read
 - Fashion
 - Reality shows
 - Social media

My name is Ashley Hall, and I am a Kindergarten teacher.

This is my 12th year in education and my 7th year here at Belle Terre Elementary. I was born in Daytona Beach, Florida and moved to Palm Coast as a teenager. I attended Flagler Palm Coast High School and then graduated from the University of Central Florida in 2011. I went on to obtain a Masters Degree in Special Education. Most of my family resides here in Flagler County where my father and I own a small commercial construction company. Although my experience is varied, the majority of my work life has been spent helping children succeed. I knew from a young age that I needed to find my own way to give back to the world. That led me on my path to teaching "the future" of our communities.

I'm Tom Ramirez, PTO treasurer, and you may have guessed, I'm married to our PTO president.

We have 4 wonderful children at BTES.

In my day job, I work for a large multinational third-party administrator in the insurance/claims industry, overseeing a client relationship with a large retailer.

As my wife and I have post-Bach degrees, we believe in education, not only for our own children, but also doing what we can for all of the children of BTES.

Therefore, financially, we are committed to working hard and smart, to maximize the funds we can generate for the BTES PTO for the support and benefit of all of our children and community.

Hi! My name is Samantha Dawson.

- I am the PTO Vice President.
- I have been a PTO member for 6 years.
- This is my 2nd year on the Board (previously the recording secretary).
- I have 2 children:
- Jayden - 5th grade
- Jianna - 2nd grade
- I work full-time at the Flagler HBA as their membership & events coordinator.
- I'm very excited for all the events we have planned this year and hope to keep learning and improving so we as a Board can better serve the kids and staff here at Belle Terre.

Hello, I am Lauren Ramirez and the PTO President.

I have four boys who attend BTES and have been a member of the PTO for 6 years (3 years as a general member, 2 years as the Corresponding Secretary, and this year as the President).

I initially joined the PTO to attend and volunteer at school events my kids wanted to participate in, so I figured it was a WIN WIN! I could spend time together with my kids WHILE I assisted the school.

I aim to work with the school and see how we can raise funds to assist them with anything they may need to provide the best learning experience for the kids, faculty, and staff at BTES! It will take a village, so I hope to increase our number of members and make things easier and flexible for volunteers to participate and assist with events.

I have my Master's in Public Health, am working on my Doctorate, and currently, work for a university full-time.

Parents/Guardians/Mentors/Teachers are busy, but we all have things in common; we are all here for the KIDS!

Vice President
