Our intention is to help you in supporting the goals the children are expected to meet. We hope to see all of our families take advantage of this opportunity. **This is an adult only event.** In order to get the most from this event, please make arrangements for your children.

Teachers will have a conference sign-up sheet and will be happy to meet privately with you at another time.

In order to accommodate parking we ask that all families respect the schedule, which allows for transitions between grade level presentations.

We look forward to seeing you!
