2022-2023 School Profile

Cupertino is a suburban, residential community surrounded by high technology industries located 50 miles south of San Francisco in the heart of Silicon Valley. One of five public high schools in the Fremont Union High School District, Cupertino is accredited by the Western Association of Schools and Colleges and has received three prestigious California State Distinguished School Awards. The student body represents diverse ethnic, racial, religious, and socioeconomic groups. Our school mission statement is to achieve high levels of learning for all students—and we collaborate in course-alike teams to make that happen. An excellent co-curricular program complements the academic mission of the school.

There is a thriving arts program, with award-winning groups in instrumental and choral music, publications, visual arts and drama. CHS also offers a wide variety of sports, clubs, student leadership opportunities and community service options. More than 84 percent of Cupertino students participate in at least one extracurricular activity.

Due to the extraordinary circumstances resulting from COVID-19 school closures, Fremont Union High School District adopted a district-wide Credit/No Credit structure for Spring 2020. For SY 20-21 courses were taught in a combination of remote and in-person instruction due to COVID-19. Per California AB104 legislation, there was an option for families to convert letter grades earned in SY 20-21 to "Pass/No Pass".

School and District Policies

Students typically take 6 courses each year. Students enrolled in AVID, Academic Foundations, Learning Skills, or specialized programs including Dual Enrollment, and some Career Technical Education pathways may take 7 courses. Due to budgetary constraints, students are generally limited to one course per subject area per year. AP and Honors courses are open access. Students taking AP courses are encouraged to take the corresponding exams. Some students choose to take courses through concurrent enrollment at one of the five local community colleges. This coursework is typically not included on the FUHSD transcript.

Counseling Program

The counseling program offers a comprehensive and developmental 9-12 program involving all students. It is designed to offer on-going support and provide information to students and their parents through their four years of high school. The counseling team is composed of four Assistant Principals, four School Counselors and a College & Career Advisor. Crisis and intervention counseling is available with a School-based Therapist (LMFT).

Middle College

Middle College is an educational alternative for FUHSD juniors and seniors who need a different high school environment in order to achieve success -- academically, socially and/or emotionally. Students earn high school and college credit simultaneously, complete requirements for high school graduation and explore individual interests through a diverse college curriculum.

College Now

College Now is an educational option for FUHSD seniors to earn their FUHSD diplomas, while also earning one year of college credits without taking AP tests and for 1/10th of the cost for the same year at a UC. It provides an opportunity for students to spend the fourth year of high school on both the high school campus and at De Anza College.
