

Dear NRCCS Families and Caretakers,

We hope that you and your family are doing well. We are working on many projects to gear up for an amazing 2022-23 school year. We need your help to make it all happen!

Families are a part of our crew and an integral part of the education provided at North Routt Community Charter School and Early Childhood Center. We value the knowledge, insight and skills of our families, and openly welcome them to participate in our school community. At NRCCS, we ask all families for 10 hours of service to the school each school year. Keep track of your own hours. We will be celebrating our families' contributions throughout the year on a bulletin board in the school. Our goal is to collectively have at least 600 hours of volunteer service by the end of the year!

Just a few current volunteer opportunities include:

- Lunchroom and Recess assistance
- Facilities or handy-person tasks
- OEW participation and preparation
- Classroom support (copying, cutting, laminating)
- Crew Homeroom Parent (organizing celebrations, helping classroom teacher, etc.)
- Fundraising

In order to serve our community well, and for the safety of both you as the volunteer and for the safety of our students, NRCCS/ECC requires that all of our volunteers undergo a background check. This is required once every two years.

If you are ready to get going, please start by filling out this [Volunteer Agreement](#).

We hope you will invite others in our community too!

The NRCCS Volunteer Agreement and CBI background check will be required for any volunteer participating in an event or volunteer opportunity starting August 29th 2022 for the upcoming 22-23 school year and for all future school events/volunteer opportunities.

After you have completed the agreement, please let us know how you might want to help. You can coordinate efforts, co-coordinate efforts, or be a volunteer. We need all of you!

You can check out the school year volunteer opportunities [here](#) and let us know your interest.
