

TUSD School Based Mental Health Services

Mental health and wellness of TUSD students is of utmost importance. TUSD has established 5 days of intensive individual counseling services at all school sites for the 2022-2023 school year. This service is available to all students. Parents/guardians can refer their child or students can self-refer to the appropriate contact at their school. Below is a list of schools, service providers and point of contact.
