Changing Seasons

Autumn sometimes-called fall is one of the four seasons of the year. Autumn starts on September 22. It is the season between summer and winter. Fall is a time leaves changes colors and start to fall off the tree. We play football during the fall season. The weather starts to get cooler and the days start to get shorter.

Summer

My favorite time of the year is summer. This summer I went to a waterpark with my family, rode my hover board, did magic and made myself fly like Superman. I played video games for three nights without any sleep. I love summer.

Joke of the Month

Two pickles fell out of the jar onto the floor. What did the one pickle say to the other?

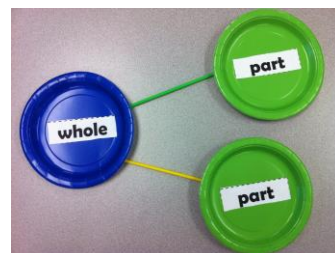

Dill with it.

Math

Math is my favorite subject in school. We learn a lot of new things in math. My teacher teaches how to think deeper when he is teaching us math. We have learned how to add and subtract numbers. We use number bonds to help us with our addition and subtraction problems.
