## “THE WEST WAY”

School Wide Positive Behavior Supports (SWPBS) is a research based systemic approach at handling behavior by being proactive. At West High School we call this “The West Way.” Through this model we first teach our expectations of Safe, Respectful, and Responsible behaviors in various settings. By being proactive in our attempts to ensure a safe and comfortable environment in which students can learn, we avoid making assumptions of what students know by teaching and modeling the expected behaviors consistently throughout West and at all West activities and events. The matrix below outlines the expectation of “The West Way”.

## ATTENDANCE

All students enrolled in the Shawnee Mission School District shall be required to attend school on a regular basis to provide students the opportunity to be successful. Daily attendance records shall be maintained for each student. Absences are at times unavoidable due to illness or family concerns. The Shawnee Mission K-12 guidelines represent an effort to be fair in dealing with absences and to encourage good attendance. Building principals are responsible for enforcing Kansas State Statutes and district attendance guidelines.

**High school is in attendance for 7 hours daily, from 7:40am-2:40pm.** Students are expected to attend school daily and arrive on time.

At the secondary level any student arriving within the first ten minutes of a class period will be considered tardy. Arrival after that time will be recorded as an absence.

### **SM WEST'S 24-HOUR ATTENDANCE HOTLINE 993-7845**

The following information must be included when absences  
are called to the hotline:

- ◆ The caller's name (parent/legal guardian)
- ◆ The name of the student, spell the first and last name
- ◆ The student's grade level
- ◆ The reason for the absence
- ◆ A telephone number where the caller can be reached during the day

Calls should be made at the beginning of the school day in which the absence occurs. A call before 12:00 noon will ensure that the student's name will not be on the *Unexcused* Absence list. Parents must contact the attendance office within 48 hours of the absence.

### **K-12 REPORTING AND RECORDING OF ABSENCES**

- An **unexcused absence** is one that has been classified as such by the building administration. An absence will be classified unexcused if it does not fit one of the board's six stated reasons for excusable absence or if the parent or legal guardian does not follow the building attendance procedure.
- Parents or legal guardians are expected to call the building's attendance line to report daily absences, late arrivals, or early dismissals. If a call is not received, school personnel will attempt to contact the parent. If no contact is made within 48 hours, the absence will be counted as unexcused.
- Absences by parent request for family and personal reasons are acceptable provided arrangements are made through the building principal in advance of the absence. These absences will count toward total absences. Students are responsible to complete all make-up work. Students are encouraged to complete work prior to absences when possible.

- Students with excessive absences are at risk of losing credit and/or not mastering grade level standards.
- When a student has reached **7 absences** during the school year, the parents will be sent a reminder letter. After **10 absences**, documentation will be required for all future absences. It is required for each subsequent absence/tardy for illness and appointments the student bring a doctor's note documenting the reason for the absence.
- Per state truancy laws and the Shawnee Mission School District truancy policy, if a student has three (3) unexcused absences in a row, five (5) in a semester, or seven (7) in a year, a truancy report will be filed with the Johnson County District Attorney's office and the parents will be notified. If the student is under the age of seven (7), a report will also be made with the Department of Children and Families (DCF).
- At any time, a student's school attendance is a concern, the building administration may require a meeting with the parent or legal guardian to address the issue.

*(Revised July 2016)*

### **TARDIES**

A student is tardy when he/she enters the classroom after the appointed time for class to begin. Excessive tardies are subject to appropriate disciplinary measures.

1. 2 tardies = Teacher has a student conference (Teacher Documents in Skyward)
2. 3 tardies = Teacher 15 min detention + parent contact (Teacher Documents in Skyward)
3. 5 tardies = Admin sends automatic warning email sent home through Skyward
4. 10 tardies = Admin assigns 1 hour detention and parent contact (Admin Document in Skyward)
5. 20 tardies = Admin assigns 2 hour detention and parent contact (Athletes miss 1 game/activities)
6. 30 tardies = Admin assigns 1 day of ISS and parent contact (Admin Document in Skyward)
7. 40 tardies = Admin assigns 1 day of ISS and parent conference (Admin Document in Skyward)
8. 50 tardies = Admin assigns 2 day of ISS and passing privileges removed (Admin Document in Skyward)

\*Every 10th tardy = 1 day of Unexcused Absence

- 1<sup>st</sup> class of the school day – any student arriving to class between 7:40 and 7:50 am will be counted tardy and do not need to check in at the attendance office. If a student arrives after 7:50 am, the student must check in at the attendance office.

### **EXCUSED ABSENCES**

An excused absence is one which has been classified excused by the building administration. An absence which falls under one of the following six board approved reasons for absence will be classified excused if the building attendance procedure is followed by the student and the parent or legal guardian. In-school suspensions are considered excused under current board policies. Make-up privileges shall be allowed for excused absences. Absences shall be excused for:

1. Personal illness. (Doctor/Dental/Medical appointments) The school may, with notice to the student or parent/guardian, require verification from a physician of absences due to reasons of health.
2. If you are excluded from school for Covid like illness your absence will be excused. If you have been diagnosed with Covid your absences are excused. If you have been diagnosed with Covid and are excluded from school, then your absence will be excused. If you have been directed by the Johnson County Department of health to stay home, then your absences will be excused.
3. Serious illness or death of a member of the family.
4. Obligatory religious observance of the student's own faith.
5. Participation in a Kansas State High School Activities Association activity, a district-approved function, or a school – sponsored activity.
6. Emergency situation requiring immediate action.
7. An absence which has been **requested and approved in advance** by the building administration. Activities of an educational nature or involving the student's family may fall in this category. Assignments are to be requested by the student before the absence occurs. Tests may be made up after the absence. Students who are absent more than 15% of the time per grading period may be subject to loss of credit.

At the secondary level any student arriving within the first ten minutes of a class period will be considered tardy. Arrival after that time will be recorded as an absence.

### **MAKE-UP WORK AFTER EXCUSED ABSENCES**

It is the student's responsibility to make the initial contact with the teacher to make-up missed work and schedule make-up tests. Students absent one week or less will be allowed double the amount of time they are absent in which to make-up missed work. For absences longer than one week, students will be allowed one week, plus the number of days absent to make-up work that has been missed. Students are expected to fulfill long-term assignments as originally scheduled.

### **EXTENDED ABSENCES**

Parents and/or students should notify the attendance office at least one week in advance of a planned absence of 5 or more days. Students should pick up a form from the attendance office that will be signed by the parent, the student's teachers and by an administrator prior to the student's absence. Students should work with the teachers to obtain any classwork that can be done during the absence.

### **UNEXCUSED ABSENCES**

An unexcused absence is one that does not fit one of the board of education's six stated reasons for an excusable absence. Students may not receive credit for work missed due to an unexcused absence. Middle school and high school students who exceed four unexcused absences during a nine week grading period may not qualify for a passing grade in that class or receive credit for the grading period.

### **EXCESSIVE ABSENCES**

Except in circumstances clearly beyond the control of the student, failure to attend 85% of all class periods at the high school and 85% of all days at the middle school may result in a failing grade or loss of credit. Absences for school sponsored activities and in-school suspension do not count.

A student's regular attendance in the classroom is an essential component of the educational process.

- The attendance office will notify the parent/legal guardian of a student's absence on a daily basis through an automated phone call/message. Parents/guardians please keep your phone numbers current to help with this communication.
- When a student has had 3-5 unexcused absences for a block during a semester, the attendance office personnel will inform the parent/legal guardian by letter.
- Any time students or parents are concerned about an attendance violation; the student is encouraged to contact the teacher or building administrator for clarification.

### **TRUANCY**

With certain limited exceptions, every child who has reached the age of 7 years and is under the age of 18 years is required by law to attend school. Students who are absent from school without a valid excuse for all or a significant part of the day (four or more class periods) for 3-consecutive days, or 5 or more days in any one semester, or 7 days in a school year, are truant. All cases of truancy are required by Kansas law to be reported to the appropriate statutory authorities. Kansas Law 72-1113 allows police officers to take a student found off school grounds during the school day into custody and directs the officer to deliver the student to the school. Students between the ages of 16 and 18 may be exempted from the compulsory attendance law after a parent/administrator conference has been held and written parental permission has been filed.

### **PERMIT TO LEAVE DURING THE SCHOOL DAY**

A written request from the parent/guardian for a student to leave campus during the school day will be honored when the note is presented and pass to leave is obtained in the Attendance Office before missing a class or leaving campus. Once a permit to leave is obtained, it should be presented to the teacher at the specified departure time. When returning to class the same day, the student must sign in through the Attendance Office before reporting to class. Failure to comply with established procedures will result in an unexcused absence and appropriate disciplinary action.

### **HOMEWORK REQUESTS**

See information regarding the Skyward System. If a student's absence is expected to extend to three (3) days or more, please contact the Counseling Office for assistance to obtain homework.

### **AFTER SCHOOL ACTIVITIES**

In order to participate in after school activities, a student must attend a full day of school on the day of the activity.

### **FUNERALS**

Schools will not be closed for funerals. However, students, upon written parental request, will be excused to attend services of school employees, friends, and relatives.

### **HALL PASSES**

Students must have verification for their presence in the hallways at times when they are scheduled to be in classes.

## CAFETERIA

Breakfast is available before school in the cafeteria, beginning at 7:00 am.

- Regular School Breakfast \$1.65
- Regular School Lunch \$3.00

### BREAKFAST

Breakfast is available each school day and starts the first day of school. Students must choose at least three different items and one must be a 1/2 cup of fruit or juice. Breakfast items include: entrée, grain, fruit/juice, and milk. If you have been approved for free or reduced priced meals, you also get free or reduced breakfast.

### LUNCH

The cafeteria has a food court with 5 stations for the students to select from and at least 18 entrée choices each day. The stations are:

- Mom's Kitchen
- Sandwich Station (hot sandwiches)
- Cold Power (cold sandwiches, wraps, salads & yogurt)
- Carb Station (various pastas or potato bar)
- Finger Foods (chicken fingers, pizza & nachos)

All entrée choices can make a meal if the correct side dishes are selected. Students must choose a full portion of at least three of the five components to receive a reimbursable school lunch and at least one component must be a 1/2 cup of fruit or vegetable. Components include entree, grain, fruit, vegetable, and milk. There are unlimited (single trip) fruits and vegetables available, except for juice and potatoes. We encourage students to take what they want, but eat what they take in order to reduce waste.

All menus are analyzed for nutritional content and meet the USDA guidelines for the age of the student. Please contact the school nurse or the food services office for information regarding special diets.

### LUNCH PROCEDURES

In order to improve attendance, reduce tardies, enhance safety of students, and to meet their nutritional needs during the school day, **Shawnee Mission West has a closed lunch policy for all students.** Exception is made for students classified as a senior who is in good standing and has the appropriate, parent signed paperwork on file in the office. Seniors approved for open lunch will be issued a sticker to be placed on the student ID. Students remaining on campus for lunch will be confined to the cafeteria, bridge, and circle drive courtyard areas.

All Shawnee Mission schools are able to provide students with a quality lunch at a competitive price from their cafeterias. The schools offer free and reduced meals for those students who qualify.

**Food may not be brought in from local restaurants or delivered to students on school premises during the regular school day.**

Students may buy their lunch from school-designated vendors or bring their lunch from home in the morning and eat in the cafeteria, on the bridge or outside courtyard during their assigned lunch period. **Visitors and parents are not allowed on campus during lunchtime** without administrative approval.

The regular lunch period is approximately 30 minutes, **including** passing time. Students who violate the closed lunch policy are subject to disciplinary action.

Each student has an individual debit account that they may access when they purchase lunch. Money may be deposited into this lunch account on a weekly, monthly, or yearly basis via on-line payment, by cash or check. Students will then use their student ID as a debit card to draw from that account. Money in student accounts can be used for any purchase in the cafeteria or on the bridge. Cash cannot be withdrawn from the account. Note: students will not receive an automated phone call as a reminder of a low account balance. Parents and students can reference their balances online. Online payments will take 24 hours to process before being the payment is reflected on the student's account.

If your student ID is lost or stolen, please see the bookkeeper to purchase a new one.

Effort is made to balance the number of students eating each lunch period. Supervisors are responsible for maintaining reasonable order on the bridge, hall, and restrooms near the cafeteria. Students are expected to obey supervisors who will point out any unacceptable behavior.

The general atmosphere of a school must be conducive to learning. A student's clothing or general appearance which materially or substantially interferes or disrupts the educational environment or invades the rights of others is prohibited. Additionally, a student's clothing or appearance which is vulgar, indecent, obscene or insulting, or which promotes or encourages behavior such as smoking, drinking, drug use, physical or sexual violence or the use of illegal substances, or which promotes illegal activities is prohibited.

***If any permitted items create a distraction from the educational process or present a safety concern, school staff/personnel will determine whether or not the apparel or appearance may be allowed in school.*** School staff/personnel (of any title or job description) may not be held responsible for any confiscated items, if lost or stolen.

Students should dress as if they are going to a place of employment. Items such as midriff tops, pajamas or slippers, hats, headgear or hoodies would not be acceptable attire at work, and as such, should not be worn to school.

**When questions regarding appropriate dress arise on any situation, the administration's decision is final.**

## ELECTRONIC DEVICES

Shawnee Mission West High School recognizes that the school's purpose is to promote an environment conducive to learning and prepare students to be technologically savvy citizens. Students learn collaboration, communication, creativity, and critical thinking in a variety of ways throughout the day. In an effort to increase these 21st Century skills, students will be allowed to use electronic devices at the discretion of the classroom teacher provided they are used in a safe, legal, and responsible manner and within the confines of the SMSD Acceptable Use Guidelines

## DISCIPLINE

### PHILOSOPHY OF DISCIPLINE

The Shawnee Mission School District philosophy of discipline is designed to provide an environment in which students can be motivated and taught to demonstrate personal, social, and academic behaviors appropriate to their age and maturity level. It is based on the following beliefs:

- A. That the successful practice of self-discipline is dependent on the student's ability to perceive the interactive relationship of rights and responsibilities and the necessity for appropriate personal and social behaviors.
- B. That the behavior of self-disciplined individuals is more internally than externally controlled and reflects both respect and concern for others.
- C. That the modeling of good discipline practices, when a shared responsibility of all school personnel, contributes to the development and maintenance of wholesome, interpersonal relationships and thus enhances the potential for positive student achievement.

- D. That teaching strategies should include activities for the development of self-control and self-determination within a context of awareness of personal and social needs.
- E. That reasonable rules and regulations are necessary for ensuring the best interests and welfare of the individual student and the total school population by:
  - 1. Respecting the rights of all students to operate in an atmosphere conducive to learning.
  - 2. Dealing with problems of misbehavior as the collective responsibility of students, parents, and school staff.

**DISCIPLINARY ACTION FOR MISCONDUCT**

The school principal, or his/her designee, is authorized to temporarily exclude a student from class, short term suspend a student from school, recommend long term suspension or expulsion for up to and including 186 school days. These disciplinary measures may be invoked for any of the following misbehaviors occurring on campus, on a school bus, or at any school sponsored activity, whether in or out of the district.

- Fighting
- Bullying
- Theft
- Profanity
- Disrespect to faculty member or student
- Cheating
- Use or possession of tobacco/drugs/alcohol
- Truant from class or campus
- Damage/destruction to school property
- Disruptive conduct
- Sexual harassment
- Computer hacking
- Hazing
- Possession or use of weapons, chemical repellents
- Other actions that threaten the safety or security of students or staff
- Gambling

**DETENTIONS**

Students may be detained after school or asked to arrive before school for a 30 to 60 minute period of time for a conference with the teacher, to receive additional help, or to do class work assigned by the teacher. These detention periods serve as a consequence for actions committed by the student that are detrimental to the learning process. They serve as a point of emphasis helping the students who choose to ignore or disobey school policies may be assigned a detention period by a faculty member or administrator. Failure to serve this detention period will result in further disciplinary action.

**WEDNESDAY AND THURSDAY SCHOOL**

Secondary students may be assigned specific dates to attend class on Wednesday or Thursday afternoon for one or two hours to complete specified learning activities frequently related to an absence from class. This additional time in school serves as a natural consequence for students who have been truant from school or need additional time to make up the classroom activities they missed for absence, inattention, or inappropriate behavior.

**EXCLUSIONS**

Exclusion of students involves removing the student from the classroom group for a minimal amount of time.

This typically occurs in situations where an adjustment to the educational environment for a short period of time is appropriate, and when personal parental contact or conferencing is appropriate. Students will receive make-up privileges for the period of time they are excluded from class.

### **IN-SCHOOL SUSPENSION**

In-school suspension removes the student from all classes during the school day and assigns the student to a designated area under close supervision. The student will be provided with work for each class and will receive credit for the work completed during the time the student is in the in-school suspension area. A student assigned to in-school suspension is not in good standing and therefore prohibited from representing his/her school in any school activity during the period of the in-school suspension.

### **SHORT TERM SUSPENSION OF STUDENTS**

A student may be suspended from school for a short-term suspension of 1 to 10 days. Students may not be on schools' grounds and may not participate in school activities during the duration of their short-term suspension. However, the student will receive credit upon completion of assignments, projects, and tests which occurred during the period of suspension.

### **LONG TERM SUSPENSION OR EXPULSION OF STUDENTS**

Students may be referred to a district suspension and expulsion committee hearing for either a long-term suspension of up to 90 school days or for expulsion not exceeding 186 school days. Students will not receive a passing grade or credit, may not be on school grounds, and may not participate in school activities during the duration of their long-term suspension or expulsion. By Kansas law, expelled students may not be permitted to enroll in other Kansas schools during the term of the expulsion. Students may be suspended or expelled for one or more of the following reasons:

1. Willful violation of any published regulation for student conduct, or
2. Conduct which distresses, impedes, or interferes with the operation of any public school, or
3. Conduct which substantially impinges upon or invades the rights of others, or
4. Conduct which has resulted in the conviction of the student of any criminal statute of the United States, or
5. Disobedience of an order of a teacher, Shawnee Mission School District security officer, or other school authority when such disobedience can reasonably be anticipated to result in disorder, disruption, or interference with the operation of any public school or substantial and material impingement upon or invasion of the rights of others.

## VISITORS

Upon entering the building all visitors, including parents, must report to the front security office to secure a visitor's pass. Visitors wishing to attend classes will need to follow the directions below.

We strongly believe that education is a collaborative venture between parents/guardians and school personnel. At times parents/guardians and others may wish to visit for a short period of time or observe for up to 30-60 minutes in a classroom. In compliance with board policy KFA, all visitors are under the jurisdiction of the building principal, who has the responsibility to develop rules and procedures to maintain a safe and orderly learning environment. To assure a successful school visit or observation, we ask for your cooperation in following these guidelines:

### Arranging for a visit:

- In writing, request a visit/observation and state your purpose for the request.
- Arrange a mutually agreed upon date and time through the building principal.
- The observation session will be planned so as not to create conflict with the teachers' and students' schedules.
- Visits/observations are limited to not more than 30-60 minutes per visit to avoid disruption or distractions in the classroom.
- The number of visits/observations will be limited to assure the least amount of disruption to instruction.
- The principal reserves the right at any time to ask the visitor to leave.
- The principal or designee reserves the right to refuse, cancel or change the observation time or duration.

### Conduct during the visit/observation:

- For security reasons, visitors are required to check in at the school office to sign in and obtain a visitor's badge before proceeding to contact any persons in the building or on the school grounds.
- To protect the learning environment, only one visitor is allowed in the classroom during the observation. Parents/guardians are asked not to bring younger siblings or children while visiting/observing in the classroom.
- Observers are asked to sit in the area designated by the classroom teacher.
- The principal or designee may be present in the observed setting in order to accommodate follow-up discussion or clarify questions that may arise.
- Pictures and video/audio recording devices, and use of cell phones are prohibited.
- The visitor/observer must commit to engaging in no interaction with the staff or students in the classroom.
- If the visitor would like to talk to the teacher, a meeting can be scheduled for another time, rather than disrupt the scheduled lesson.
- During an observation, visitors will see or hear things which must be kept confidential. Confidentiality regarding our students is paramount and visitors must agree to respect the rights of the school staff, as well as the students, and refrain from sharing any information collected during the visit.
- Visitors need to sign out and leave their visitor's badge when their visit is complete.

The Homecoming parade and dance, winter can drive, WPA dance, and numerous charity drives are just a few of the activities STUCO carries out each year. Class representatives and freshman class officers are elected each fall. Other class officers and Student Body Officers are elected each spring for the following year. Leadership and service are the key words for STUCO.

### **SHAWNEE MISSION WEST PARENT-TEACHER-STUDENT ASSOCIATION**

The PTSA is a group dedicated to bringing the school and home into a closer relationship and providing the best possible school environment for our West students. The PTSA is a group that advocates for ALL SM West Students and is comprised of West administration, parents, students and teachers. It also is a branch of a larger organization, Kansas PTA and National PTA/PTSA who lobbies in Washington, D.C. on behalf of youth across the country.

As a part of the drug and alcohol abuse education programs, the PTSA sponsors activities to provide an opportunity for students to interact in a safe environment. The all school parties and Senior Sizzle are part of this program. Many West parents are needed as chaperones for these activities.

Students are encouraged to submit original work to two national competitions: The Citizenship Contest for freshman held in the fall and The National PTA Reflections Contest held in the early spring for all students interested in literature, photography, visual arts, and music. As part of our community involvement, hospitality is provided for Back-To-School Night and Heart of the West Week (held in February). Volunteers also provide staffing for the district clothing center for families with financial need. The SM West Landscape Committee is in its seventh year in beautifying the SM West grounds. SM West PTSA supports the faculty and staff by providing teachers' dinners on conference evenings, Teacher Appreciation Week activities, assistance at registration, and special mailings.

An organization as active as this unit needs everyone to help keep these programs vital. Please contact one of the PTSA board members to register your support for one of these programs that enhances the community of Shawnee Mission West. There will be four meetings during the academic year. Check the school calendar for dates.
